Organic Arnica Muscle Rub Salve

SacredEarth
BOTANICALS

SacredEarth Botanicals' Organic Arnica Muscle Rub Salve is handcrafted in small batches, using only USDA certified organic ingredients. With the power of Arnica Montana flowers, menthol and lavandin grosso, it will bring relief to bruises, sprains, inflammation, arthritis and muscle aches.

We cold infuse our organic arnica flowers in organic sunflower oil for several months to draw out the natural healing elements of the arnica. We then combine it with organic lavandin grosso (a natural anti-inflammatory), organic carnauba wax, a custom blend of organic essential oils to create an effective, organic, natural healing salve. It is offered in a no mess personal applicator and an 8oz professional/back bar size.

Organic Arnica Muscle Rub Salve Directions: Rub a liberal amount of Arnica Muscle Rub Salve onto desired area, wait 5-10 minutes for product to take effect.

Organic Arnica Muscle Rub Salve Ingredients Simplified:

Organic Sunflower Oil - Rich in essential fatty acids and vitamin E to aid skin hydration.

Organic Carnauba Wax - Plant derived wax used as a thickening agent.

Organic Lavandin Grosso - naturally high in compounds like linalool, camphor, and cineole, which have anti-inflammatory and antiseptic properties to help calm irritated skin.

Organic Essential Oil of Eucalyptus - Improves circulation and eases pain associated with sprains.

Organic Essential Oil of Cinnamon - Adds a warming sensation and improves circulation.

Organic Essential Oil of Spearmint - Contains anti-spasmotic properties, and helps to calm tense muscles.

Organic Essential Oil of Peppermint - A natural analgesic that helps to relieve pain and also helps increase circulation.

Organic Essential Oil of Wintergreen - A mild analgesic and anti-rheumatic, reduces pain and inflammation.

Organic Essential Oil of Clove - Anti-rheumatic, helps relieve pain associated with arthritis.

Organic Essential Oil Rosemary - Increases circulation and is an excellent anti-rheumatic.

Organic Arnica Montana Flowers - Well known as one of nature's most versatile healing ingredients, our arnica is cold infused for months in organic oil creating a potent therapeutic extract traditionally used on sprains and bruises.
