

Spa Essentials®
Single Roll Dispenser
Item #55714

Parts List:

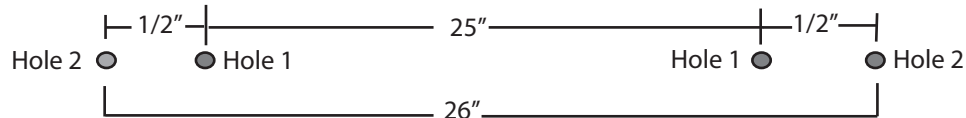

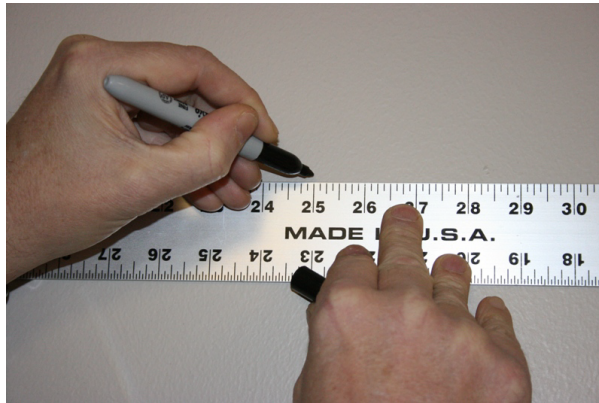

- (4) Screws
- (4) Washers
- (4) Plastic Anchors
- (2) Side Brackets
- (1) Bar

Tools Needed:

- Tape Measure
- Hammer
- Phillips Screwdriver

1) Drill 2 holes located 25" apart on surface where dispenser is to be mounted. Be sure that the holes are on a level, horizontal line. Drill 2 more holes 1/2" outside of the first 2 holes.

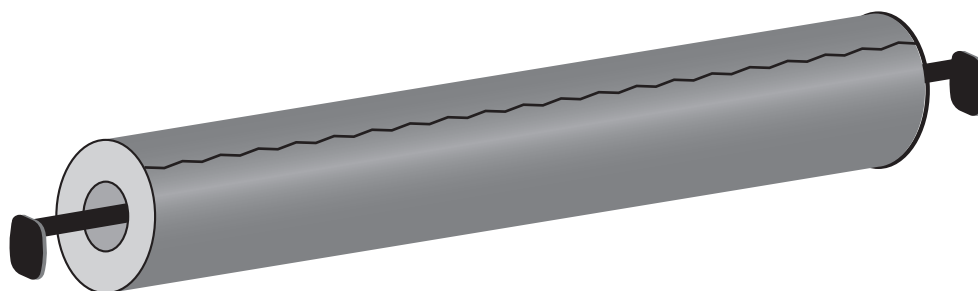

If the surface is hollow, drill 3/16" diameter holes and pound plastic anchors into each hole (see picture below). If surface is solid, drill 3/32" diameter holes.

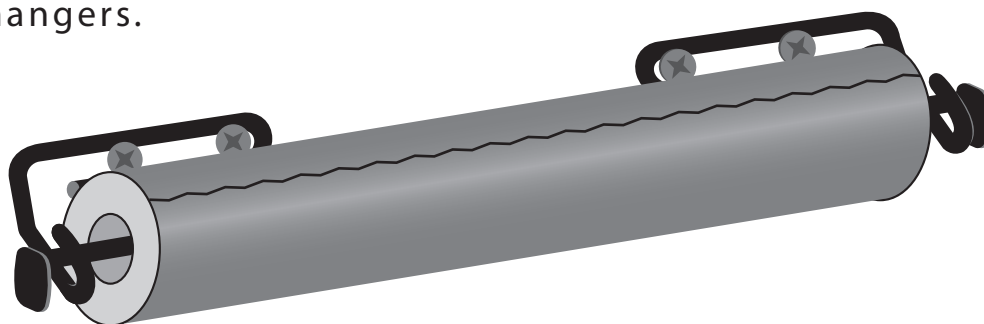

- 2) Screw side brackets into wall or on under-side of spa table. Use washers between the screw heads and the side bracket (see picture below).

- 3) Insert roll on bar (holds up to 27" long roll).

- 4) Insert bar into hangers.

- 5) Dispense paper to desired length and tear or cut with scissors.
