

# C3707 Deluxe Steamer

## Copy

This Deluxe Facial Steamer is used to improve blood circulation, open the pores, and generally revitalize the skin. The addition of ozone to the steam helps to further soften the solidified sebaceous caps so that they can be more easily removed. A natural germicide, ozone enriched steam helps promote a more sterile environment. This unit includes a digital timer as well as vapor and ozone functions. 3 steam settings.
