

C600T – Paraffin Spa With Wax

A versatile, thermostatically controlled paraffin bath. The Amber Parffin Spa is sturdily constructed, lightweight, and portable, with proven reliability. This heater is a first choice in salons for manicure and pedicure specialists. The stainless steel working bath maintains six to eight pounds of paraffin at the proper temperature and is designed to remain plugged in at all times. It possesses an automatic circuit for faster initial paraffin melting. It comes complete with six (6) pounds of Paraffin and instructions.
