

## NEW GENERATION MULTI-FUNCTION FACIAL & MASSAGE TABLES

A true embodiment of Cosmopro's unwavering commitment to salons and spas worldwide, Lemi USA offers an impressive selection of multi-function facial and massage tables. Therapists select from four superbly designed models crafted in Italy: the Gemya, Centrun, Elypsia, and Sonium. Designed for optimum functionality and versatility, each model offers an ergonomic contoured mattress and electronic controls. Experience enhanced professional performance during facial and massage services while offering clients/guests superlative comfort.

### LEMI GEMYA

Featuring a stunning two-column design on an oak-covered steel base, the Gemya enhances any decor while providing great stability. An easy-to-use hand control electronically adjusts the table's height, back rest, and leg rest.
