## THE NUAGE CHILL LOUNGE

*To "chill out" is a casual way of saying "I'm going to simply relax and step away from all the drama of the day, Away from noise, stress, and all that weighs you down. The Chill Lounge is a perfect place for relaxation, meditation, and reflection. Commonly used in the waiting room or lounge area of the spa, The Chill Lounge will heighten your clients' spa experience and transform a non-descript lounge area into a revenue generating, satisfaction center. The relaxation bed is 76 inches in length and 33 inches wide. In addition to being a perfect personal relaxation space, the Chill Lounge is great for manicures, reflexology treatments and acoustic resonance therapy with the optional SO Sound System.*
