# What is AquaBella?

- The new era in powerful skin rejuvenation.
- All natural. Painless. No downtime. No discomfort.
- Instantly improves hyper pigmentation, congested pores and uneven skin tone.
- Deep cleanses, exfoliates, extracts, hydrates, oxygenates and micro circulates all in one session.
- 15 minute treatment time.

## How does AquaBella™ work?

Powered with industrial grade suction pump, light weight hand piece and enhanced with a unique spiral shaped therapy tip with three micro holes. Through the controlled vacuum pressure, skin is gently pulled into the chamber in the hand piece, allowing the solutions to consistently unclogging and gently cleanses pores, exfoliate dead skin cells and extracts keratin, sebum, blackheads or other impurities. Simultaneously, the vortex spiral shaped tip drives the solutions deep into the skin, down to the dermal junction where the skin cells are regenerating.

**Unique spiral shape tip Solution infusion through 3 micro holes**

## What is an AquaBella™ Facial?
