

# alliance<sup>™</sup> aluminum

exceptional versatility - effortless adjustability - client access -  
all sides - from every angle

If you're considering adding light spa services or a wider range of bodywork to your practice, this is the portable massage table to rely on . The Alliance<sup>™</sup> Aluminum portable massage table is your best choice for a professional table that provides portability and a back rest top. Easy adjustments that allow six positions and up to 60° of tilt permit a greater number of modalities such as waxing, facials, reflexology, acupuncture, etc., offered to a wider range of clients, including pregnant women and those with sinus or cardiac concerns.

## Details make the difference:

**1 PATENTED COMPLEMENTARY SUSPENSION SYSTEM** - Engineered and patented to assure ultimate strength and stability, while remarkably reducing weight. The powder coated, welded aluminum legs and braces are scratch resistant and easy to clean. **2 ULTIMATE ACCESS** - Optimize your body mechanics all around the table, ends and sides. **3 TELESCOPING LEGS** - Anodized leg extensions offer smooth operation with easy push-button adjustability and support. **4 PATENTED INTEGRA-HINGE™** - Ingenious patented design reinforces the table to support heavy loading that no piano hinge can match. **5 EXCEPTIONAL FRAME STRENGTH** - Laser-aligned finger-jointed poplar frame means perfect joinery. **6 UNILOCK™** - Patent-pending, easy-to-use closure system won't break, rust or rattle. The safety design prevents cuts and scratches to you and your clients. **7 BACK REST-** Easy adjustments allow 6 positions and up to 60° of tilt.
