Point Tweezer

ITEM CODE: 1240-P Classic Stainless Steel, 1241-CP Assorted Colors

Description

Perfectly aligned, finely tapered, hand-finished points grab the smallest and finest hairs with ease. Great for precision tweezing, ingrown hairs and splinters. In Classic Stainless Steel and Stainless Steel with enamel color finishes.

Feature	Benefit
Stainless steel	Durable, easy to clean
Hand filed perfectly aligned points	To grab every hair every time
Tapered point tip	Great for precision work, including removing stubble, ultra-fine hairs and ingrown hairs
Perfectly calibrated tension	Comfort & control

Product Usage

Tweeze in the direction of hair growth, pulling one hair at a time at the root to avoid breakage. For ingrowns, cleanse skin and disinfect tip of tweezers with alcohol or peroxide. After any work under the skin, clean area again with disinfectant. Perfect companion for the Slant Tweezer.

Caution: Point is very sharp; use with care.
