

TWEEZERMAN Professional

TWEEZERS

Pointed Slant Tweezer

ITEM CODE: 1261-P

Description

Precise and versatile with innovative, perfectly aligned hand-finished tips that combine the easy handling of our Slant with the precision of our Point. Polished Stainless Steel.

Feature	Benefit
Stainless steel	Durable, easy to clean
Hand filed perfectly aligned tips	To grab every hair every time
Perfectly calibrated tension	Comfort & control
Combination tip	Functions as a Slant and Point Tweezer

Product Usage

Always tweeze one hair at a time in direction of hair growth. To increase spring tension, gently pull the two halves of the tweezer slightly apart. Once you have increased the tension, you cannot decrease it. Clean tips after each use.

Tips & Tricks

Caution: The point of this tweezer is very sharp.

For any work under the skin, cleanse skin and disinfect tip of tweezer.

Works Great With

Browmousse
Brow Shaping Scissors & Brush
