

MATERIAL SAFETY DATA SHEET

1. Information of Product and Company

- Product Name	: BIOXIDEA™ MIRACLE 24 Hand Mask
- Application of Product	: Cosmetic Product (Hand Mask)
- Department of make	: Research Center
- Reporting Date	: 02. September. 2013
- Revision	: 03

2. Information on Ingredients

1) Ingredients : Cosmetic Solution

INGREDIENT (INCI)	CAS No.	NOTE
Water	7732-18-5	
Cyclohexasiloxane	541-02-6	
Cyclopentasiloxane	540-97-6	
Glycerin	56-81-5	
Palmitic Acid	57-10-3	
Stearic Acid	57-11-4	
Cyclopentasiloxane	541-02-6	
Dimethiconol	70131-67-8	
Gleceryl Stearate	123-94-4	
PEG-100 stearate	9004-99-3	
Cetearyl Alcohol	8005-44-5	
Cetyl Alcohol	36653-82-4	
Urea	57-13-6	
Cetearyl Glucoside	54549-27-8	
Dimethicone	9006-65-9	
Methylparaben	99-76-3	0.3000%
Phenoxyethanol	122-99-6	0.3000%
Polyacrylate-13	-	
Polyisobutene	9003-27-4	
Polysorbate 20	9005-64-5	
Propylparaben	94-13-3	0.1000%
Disodium EDTA	139-33-3	
Acetyl Hexapeptide-8	616204-22-9	
Olea Europaea (Olive) Leaf Extract	84012-27-1	
Aloe ferox leaf Extract	-	
Rosmarinus Officinalis (Rosemary) Leaf Extract	84604-14-8	
Lavandula Angustifolia (Lavender) Extract	90063-37-9	
Chamomilla Recutita (Matricaria) Flower/Leaf Extraact	84082-60-0	

Arnica Montana Flower Extract	68990-11-4	
Artemisia Absinthium Extract	84775-45-1	
Achillea Millefolium Extract	84082-83-7	
Gentiana Lutea Root Extract	72968-42-4 □	
Yeast Extract	8013-01-2	
Pinus Densiflora Extract	92202-05-6	
Thuja Orientalis Extract	91770-83-1	
Chamaecyparis Obtusa Leaf Extract	91745-97-0	
Adansonia Digitata Leaf Extract	91745-12-9	
Fragrance(Parfum)	-	

3. Hazards Identification

Emergency, Hazard Information	: No irritation, NFPA Health=2, Fire=0, Reactivity=0
Influence into Eye	: Can cause eye irritation, injury
Influence into Skin	: Depending on the individual there may be slight irritation
Influence of Inhalation	: Not available
Influence of Ingestion	: Swallowing this material may be harmful or fatal
Symptom and Chronic Sign	: Not available

4. First Aid Measures

Inhalation	: Inhalation of large amounts of fresh air.
Skin Contact	: Cleanse affected skin area with soap and running water.
Eye Contact	: After rinse with plenty of water and consult a physician if irritation.
Ingestion	: If symptoms develop, move individual away from exposure and into fresh air. If symptoms persist, seek medical attention. If breathing is difficult, administer oxygen. Keep person warm and quiet; seek immediate medical attention.

5. Fire – Fighting Measures

Flash Point	: Not available
Extinguishing Media	: Carbon dioxide, Dry chemical extinguisher, Sprinkler, Bubble extinguish
Fire Extinguisher Method	: Using regular fire control

6. Accidental Release Measures

Necessary actions to protect human health	: Use appropriate personal protective equipment Products in contact with wet clothing and then the skin with soap and naked flush with water.
Necessary actions to protect the environment	: Don't contaminate water sources.

7. Handling and Storage

Safety handling	: Use general rules for handling the products. Don't use except for the express purpose.
Storage	: Keep in a cool place with low moisture avoiding direct sunlight. Avoid inappropriate intake and don't put in another container in order to protect and maintain the quality of the product. Keep out of reach of children.

8. Exposure Control and Personal Protection

Engineering Control Method	: If general ventilation is adequate
Exposure Limit	: Not available
General Protective and Hygiene Handlin	: No Special requirements when using the display regulations.
Respiratory Protection	: No Special requirements when using the display regulations.
Hands protection	: No Special requirements when using the display regulations.
Eye Protection	: No Special requirements when using the display regulations.

9. Physical and Chemical Properties

Description	: Colorless to light white sheet containing White and Viscous Liquid	Odor	: Floral
Melting Point	: 0°C (Water)	Boiling Point	: 100°C(Water)
Explosiveness	: Not available	Oxidizing	: Not available
Partition Coefficient	: Not available	Steam Pressure	: Not available
Specific Gravity 20°C	: Not available	Vapor Density	: Not available
pH	: 5.5 ± 1.0	Solubility	: Not available

10. Stability and Reactivity

Chemical Stability	: Not available
Material to Avoid	: Exposure to hot and humid environment may cause leakage
Harmful Substance Decomposition	: Not available
The possibility of harmful substances (if the reaction occur)	: Not available

11. Toxicological Information

Acute Oral Toxicity	: Not available
Acute Inhalation Toxicity	: Not available
Skin Toxicity	: Not available
Skin Irritation	: Not available
Chronic Toxicity	: Not available
* Korea Food & Drug Administration to submit safety data elements corresponding to the exemption notice the r	

12. Ecological Information

Hazardous to the aquatic environment	: Not available
Mobility in Soil	: Not available
Bioaccumulative Potential	: Not available
Persistence and Degradability	: Not available

13. Disposal Considerations

Restrictions on Waste Control acts	: Dispose of in accordance with all applicable local, state and federal regulations.
------------------------------------	--

14. Transport Information

Currently there is no category assigned.

15. Regulatory Information(Korea)

Fire Defense Regulation	: This product is not applicable to Toxic Chemical Substance to management act.
Occupational safety and health acts	: Not applicable
Toxic Chemical Substance to managen	: Not applicable

16. Other Information

Actual use conditions, follow the instructions of the seller.
