

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: TERM REPAIR – TR AMP. 5 ML

Version/Revision: 1.0

Print Date: 26.02.2014

1. Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

TERM REPAIR – TR AMP. 5 ML

1.3 Details of the supplier of the safety data sheet

Manufacturer/Supplier : IBEAUTY srl
Street/P.O.Box : Via Vittorio Emanuele II, 68
Country code/Postal code/Town/City : 24036 Ponte San Pietro (BG) ITALY
Telephone : (+39) 035 466046
Telefax : (+39) 035332654
Person in charge of MSDS mail regulatory@i-beauty.it

2. Hazards identification

2.1 Health dangers and physical integrity:

No specific danger during normal product use.

3. Composition/information on ingredients

Contains no hazardous substances in reportable quantities
Is to be classified according to ECC directive 88/379, the Chemicals Act and Hazardous Goods.

3.1 Ingredients:

AQUA (WATER)
PENTYLENE GLYCOL
PANTHENOL
PROPYLENE GLYCOL
PHENOXYETHANOL
PEG-40 HYDROGENATED CASTOR OIL
CENTELLA ASIATICA EXTRACT
VANILLYL BUTYL ETHER
ATHYLHEXYGLYCERIN
MIMOSA TENUIFLORA BARK EXTRACT
POTASSIUM SORBATE
HYDROLYZED ELASTIN
CITRIC ACID
SODIUM BENZOATE
SILANETRIOL
SODIUM HYDROXIDE

4. First-aid measures

4.1 Description of first aid measures

After eye contact

Wash with running water for several minutes holding the eyelids open.

After ingestion

Requires medical control

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: TERM REPAIR – TR AMP. 5 ML

Version/Revision: 1.0

Print Date: 26.02.2014

5. Fire-fighting measures

5.1 Extinguishing media

Extinguishing Media: Use water spray, extinguishing powder, carbon dioxide or foam

Dispose of fire and contaminated extinguishing water in accordance with local regulations.

Unusual Fire and Explosion Hazards: In case of fire, use a breathing apparatus

5.2 Protective equipment:

In case of fire, use a breathing apparatus

6. Accidental release measures

After spillage; can be washed off with plenty of water

Absorbent material: not necessary

Special measures to limit damage are not necessary

7. Handling and storage

7.1 Handling

No special requirements.

7.2 Storage:

No restrictions

8. Exposure controls/personal protection

Respiratory protection: none

Eye protection: none

Hand protection: none

9. Physical and chemical properties

Physical state:	Clear solution
Colour:	Brownish Yellow
Odour:	Characteristic
pH value:	5-6
Boiling point:	not determinate
Solubility in water:	Yes

10. Stability and reactivity

10.1 Hazardous reactions:

None known when used appropriately

10.2 Hazardous decomposition products:

Only small concentrations

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: TERM REPAIR – TR AMP. 5 ML

Version/Revision: 1.0

Print Date: 26.02.2014

11 Toxicological information

LD50 oral: not available
LD50: not available
LD50 skin: not available
LD50 inhalation: not available

12 Ecological information

Water hazard class: irrelevant

13. Disposal considerations

No special waste-handling cautions needed. Accordance with local regulations should be observed

14 Transport information

This product is no subject to current regulations for transportation of hazardous goods

15 Regulatory information

This product does not require special labeling, in accordance with the appropriate EC directives

16. Other information

This product is intended for cosmetic use only:

The information herein is believed to be correct as of the date hereof and excludes any guarantee related with the final use given to the product, being the recipient the last responsible for observing the local laws applicable in each case

Mr. Antonio Colpani

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: FIRM UP
Version/Revision: 2.0
Print Date: 01.06.2015

1. Identification of the substance/mixture and of the company/undertaking

1.1 Product identifier

FIRM UP

1.2 Relevant identified uses of the substance or mixture and uses advised against

There are no data available on the product itself.

1.3 Details of the supplier of the safety data sheet

Manufacturer/Supplier :	IBEAUTY srl
Street/P.O.Box :	Via Vittorio Emanuele II, 68
Country code/Postal code/Town/City :	24036 Ponte San Pietro (BG) ITALY
Telephone :	(+39) 035 466046
Telefax :	(+39) 035332654

2. Hazards identification

2.1 Health dangers and physical integrity:

No specific danger during normal product use.

3. Composition/information on ingredients

3.1 Ingredients:

AQUA (WATER)
HYDROLYZED COLLAGEN
HYDROLYZED ELASTIN
SODIUM PCA
HYDROLYZED GLYCOSAMINOGLYCANS
HYDROXYETHYLCELULOSE
GLYCERIN
KYGELIA AFRICANA BARK EXTRACT
PROPYLENE GLYCOL
DIGLYCERIN
SORBITOL
PHENOXYETHANOL
HYALURONIC ACID
TAURINE
PHYTIC ACID
THREALOSE
SODIUM HYALURONATE
POLYGLYCERYL-4 CAPRYLATE
SODIUM LACTATE
DECYL GLUCOSIDE
SODIUM LAUROYL GLUTAMATE
ETHYLHEXYLGLYCERIN
PARFUM (FRAGRANCE)
MENTHOXYPROPANEDIOL
LACTIC ACID

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: FIRM UP
Version/Revision: 2.0
Print Date: 01.06.2015

4. First-aid measures

4.1 Description of first aid measures

General

In all cases of doubt, or when symptoms persist, seek medical attention.

After inhalation

Let in fresh air.

After skin contact

No specific danger during normal product use.

After eye contact

Wash with running water for several minutes holding the eyelids open.

After ingestion

There is no significant risk of ingestion under normal conditions of use.

Immediately take a medical examination, showing the safety data sheet.

It's possible to administer activated charcoal suspended in water, or medical mineral vaseline oil.

5. Fire-fighting measures

5.1 Extinguishing media

Suitable extinguishing media

CO₂, Dry chemical, depending on the materials involved in the fire.

5.2 Methods do not use:

No one in particular

5.3 Combustion risks:

avoid inhaling the fumes

5.3 Protective equipment for fire-fighters:

Use protection for the respiratory tract

6. Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

Wearing gloves and protective clothing

6.2 Environmental precautions

Contain dispersions with sand.

If the product has escaped into a water course, into the drainage system, or has contaminated the ground or vegetation, notify the competent authorities and to prevent it from entering the drainage system

6.3 Methods and material for containment and cleaning up

Collect for re-use if possible, or for elimination.

Eventually, be absorbed by inert material.

After the harvest, wash with water the area and materials involved.

7. Handling and storage

7.1 Precautions for safe handling:

No specific danger during normal product use.

7.2 Technical measures for handling:

No specific danger during normal product use.

7.3 Storage method:

Store in a cool, well ventilated place, avoiding the accumulation of electrostatic charges

7.4 Type of local places:

local places adequately ventilated

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: FIRM UP
Version/Revision: 2.0
Print Date: 01.06.2015

8. Exposure controls/personal protection

8.1 Exposure limits of the substance:

None

8.2 Precautionary protection:

Give adequate ventilation to the areas where the product is stored and / or handled

8.3 Respiratory protection

not required for normal use

8.4 Hand protections:

Use protective gloves

8.5 Eye protection:

Operate with adequate protection, according to good working practices

8.6 Skin protection:

Operate according to good working practices

9. Physical and chemical properties

9.1 Information on basic physical and chemical properties

Image

Odor: Characteristic.

Relevant safety data

Aspect	liquid
Color	slightly opaque
Ph	5.0 – 5.5
Density	1.02 g/ml
Viscosity	220cp a 20°C (Test Brookfield mod. LV, Spindle 6)

10. Stability and reactivity

10.1 Conditions to avoid:

Stable under normal conditions

10.2 Substances to be avoided:

No one in particular

10.3 Decomposition product:

Carbon monoxide and unidentified organic compounds may be formed during combustion

11 Toxicological information

11.1 Irritation:

The toxicological information of the individual ingredients listed in Section 3 of this form are contained in the PIF PRODUCT INFORMATION FILE EL BDG 001, as expected by art. 11 regulation CE 1223/09.

Synthesis of the final assessment, pursuant art. 10 of the product regulation (indicated into PRODUCT INFORMATION FILE EL BDG 001,, part B): "under normal or reasonably foreseeable conditions of use, can be considered "NOT DANGEROUS" for the customer health, pursuant art. 3 of the regulation CE 1223/09, considering the presentation, label, instructions of use, when used for the described use, when are respected instructions for use, precautions and warnings provided with the product".

11.2 Sensitization:

The toxicological information on individual ingredients listed in section 3 of this sheet are contained in the document PIF PRODUCT INFORMATION FILE) EL BDG 001, according to art. 11 regulation CE 1223/09.

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: FIRM UP
Version/Revision: 2.0
Print Date: 01.06.2015

11.3 Acute Toxicity:

The toxicological information on individual ingredients listed in section 3 of this sheet are contained in the document PIF PRODUCT INFORMATION FILE) EL BDG 001, according to art. 11 regulation CE 1223/09.

11.4 Carcinogenesis:

The toxicological information on individual ingredients listed in section 3 of this sheet are contained in the document PIF PRODUCT INFORMATION FILE) EL BDG 001, according to art. 11 regulation CE 1223/09.

11.5 Mutagenesis:

The toxicological information on individual ingredients listed in section 3 of this sheet are contained in the document PIF PRODUCT INFORMATION FILE) EL BDG 001, according to art. 11 regulation CE 1223/09.

11.6 Other reports

No one

12 Ecological information

Use according to good working practices, avoiding release into the environment

13. Disposal considerations

If possible, recover and start to disposal in approved facilities.

Uncleaned empty packaging must be considered special waste /D.Lgs 5/5/97 n.22).

Do not dispose of the product as such in the sewer system.

If the disposal is done in their own facilities, operate in accordance with DPR 915/82 and Law 475/88 and subsequent amendments. Please observe the national and local regulations.

14 Transport information

14.1 General information:

No one

14.2 International standards road / rail (ADR/RID):

Not regulated

14.3 National standards for rail transport (FFSS)

Not regulated

14.4 Recommendations international maritime transport (I.M.O.)

Not regulated

14.5 Recommendations international maritime transport

Not regulated

14.6 Recommendations of national and international air transportation (IATA)

Not regulated

15 Regulatory information

Classification according to Directive 67/548/CEE and updates

The substance is not classified as dangerous according to Directive 88/379/EEC and updates

Where applicable, refer to the following standards:

D.P.R. 175/88 (Direttiva Seveso), annex II, III e IV

Ministerial circulars 46 e 61 (aromatic amines)

Material Safety Data Sheet (MSDS)

According to Regulation (UE) N.453/2010

Product name: FIRM UP
Version/Revision: 2.0
Print Date: 01.06.2015

16. Other information
