PROFESSIONAL

THE MOST SOOTHING & HYDRATING EXPERIENCE AVAILABLE

WHY EXPERIENCE PERFECTSENSE PARAFFIN?

We hold ourselves to the highest standard of quality in all of our treatments. Not only do our treatments offer the finest results, they must also insure complete sanitation and safety for you.

PerfectSense® Paraffin treatments are available in an exclusive Nourshiment+ blend that helps maintain optimal skin health through regular hydration, nourishment and protection.

Not just another mainstream paraffin treatment, Nourishment+ is a concentrated formula of enriching quality-driven ingredients that deliver results.

BENEFITS OF DEEP HEAT

- helps increase local blood flow
- promotes relaxation of muscles and joints
- assists in soothing minor aches and pains

SILKY, SOFT SKIN FOR DAYS

- leaves skin incredibly soft and supple
- draws your body's own moisture to the surface of the skin for deep, natural hydration
- helps hydrate your skin by forming an occluse mask

ONE STEP FURTHER

- cleanses the body of toxins
- protects against free radicals
- over three times the amount of paraffin from a standard dip service

YOUR SKIN, YOUR SAFETY

- heated with natural minerals that deliver a perfect temperature
- custom aromatherapy treatment for a complete sensory experience
- individual and sanitary - each treatment completely exclusive to you
