O2 CLEAR FACIAL SUCCESS KIT®

Recommended For: Non-sensitive, acne-prone skin. Suitable for all skin types showing the signs of acne or breakouts. Excellent for those who need extra care and have neglected their skin.

Menu Treatment Description;

This skin-repairing treatment fights difficult acne on two fronts. First, advanced enzyme technology puts new muscle into deep cleaning exfoliation by dissolving pore-clogging sebum sludge and cellular debris. Next, the enhanced oxygen cream deeply purifies and softens pore clogging congestion, kills acne bacteria, and delivers much needed nutrition into the skin. The result? Not only are blemishes banished and large pores visibly diminished, but overall skin quality, tone, and smoothness are enhanced as well. Particularly effective for smokers and those with a congested texture.

Professional Treatment Description: This gentle yet effective treatment relaxes the client as well as aims to help clear up acne and deep cleanses the skin. Clients receiving this facial will share how smooth the skin feels and how the pores appear smaller.

Average Time:

60 Minute Spa Advanced Therapy

30 minute Express Therapy (omit steps 8, 9, 11)

Suggested Price: \$75-\$85

Products

- ❑ 18 oz. Salicylic Wash (CON104)
- ❑ 18 oz. Medicated Pumice Wash (CON202)
- ❑ 18 oz. Exfo Tonic (CON211)
- ❑ 18 oz. Balancing Tonic (CON214)
- ❑ 8 oz. Zyme Peel Powder (CON229)
- ❑ 8 oz. Zyme Peel Activator (CON233)
- ❑ 1.7 oz. O2 Pro Booster (CON217)
- ❑ 8 oz. Sulfur Calming Mask (CON243)
- ❑ 6 oz. Balancing Thermogel Mask (CON241)
- ❑ 2.5 oz. Collagen Eye Defense (CON711)
- ❑ 2 oz. Skin Nourishing Balm (CON117)
- ❑ 6 oz. Hydrant Stabilizer (CON290)
- ❑ 6 oz. Oil-Free Sunscreen SPF30 (CON260)

Additional Recommended Supplies

- ❑ Cotton rounds
- ❑ 3 Warm, Moist Towels
- ❑ Essential Oils (aromatic blend)
- ❑ 4 x 4 Gauze or Cotton Squares
- ❑ 4 Fan Brushes
- ❑ Plastic Wrap Strips
- ❑ Q-tips
- ❑ Steamer
- ❑ Sponges
- ❑ Mask Cup
- ❑ Mixing Bowl and Spoon
- ❑ Cellophane
- ❑ Client Fan
- ❑ Digital Timer

Replacement products and supplies are available through Universal Companies.

Always check your state regulations to ensure that you are practicing within the scope of your license.

Procedure**Cleanse Phase – Time: 5-7 minutes**

Step 1 First Cleanse: Begin facial cleanse while steaming and warming up the skin. Apply **Salicylic Wash** and cleanse the face, neck and décolleté.

*Optional: Soak cotton rounds in warm water and spray a small amount of **Soothing Chamomile Eye Makeup Remover** (CON728) (not included in the Success Kit) on the cotton rounds.*

Apply moistened cotton rounds to the eyes and wrap your client's face in a warm, moist towel infused with an aromatic calming essential oil blend (esthetician's choice). Compress the towel and let your client breathe in the essential oil for approximately 30 seconds. Unwrap the towel and remove the eye pads and excess make-up. Remove the cleanser with the towel.

Step 2 Second Cleanse; Perform a second cleanse with the **Medicated Pumice Wash** to areas that exhibit more oil or congestion. Wrap face in warm towel with aromatic calming blend. Remove remaining cleanser and additionally remove steam from face.

Step 3 Saturate two cotton pads with **Exfo Tonic** (oily skin areas) or **Balancing Tonic** (dry skin areas) and apply to the face.

Skin Analysis and Exfoliation Phase – Time 10 – 15 minutes

- Step 4. Perform a skin analysis.
- Step 5 Mix ½ - teaspoon **Zyme Peel Powder** with 1 teaspoon **Zyme Peel Activator** to create a creamy paste. Warm up the mixture by holding it under your steamer to warm it. (Test the mixture on your arm first to make sure temperature is not too hot). Apply the peel with a fan brush while steaming your client's face. Steam for 7-10 minutes. A rotary brush may also be incorporated to enhance the treatment about seven minutes into the treatment while you are still steaming the client.
- Step 6 Saturate two cottons rounds with **Balancing Tonic** and apply to the skin to hydrate and soothe and restore pH balance of the skin.
- Step 7 Apply approximately ½ teaspoon of **O2 Pro Booster** using a small fan brush or applicator to areas with enlarged pores or breakouts (you may apply to the entire face if desired). Occlude with pieces of plastic wrap to intensify the penetration of the oxygen (good for areas with black heads/whiteheads) if desired.
- NOTE: This can cause mild tingle and temporary stimulation. Leave on 3-4 minutes. This increases microcirculation, softens sebum, and is anti-bacterial. Tissue off excess, but not completely, to make extraction work easier.*
- Step 8 During this time, remove the headband from your client's hair and perform a dry scalp massage. Enhance the experience by adding a few drops of essential oil to palms of hands before you begin the scalp massage.
- Step 9 Perform gentle extractions and High Frequency if needed. LED light therapy may also be used at this time if desired.

Mask Phase - Time 10 Minutes

- Step 10 Apply **Collagen Eye Defense** around the eyes with a small brush or Q-tip. Then apply **Sulfur Calming Mask** directly to blemishes. Using a fan brush, apply **Balancing Thermogel Mask** over the rest of the face, neck, and décolleté.
- Step 11 While the mask is working, perform a shoulder massage using **Skin Nourishing Balm**. Remove the mask with moistened towels, sponges, or cotton pads.

Hydrate and Moisturize Phase - 3 - 5 Minutes

- Step 12 Apply **Hydrant Stabilizer** to your hands and then massage into face, neck, and décolleté' to restore hydration and balance to the skin.

Step 13 Finish the facial with an application of **Collagen Eye Defense** and **Oil Free Sunscreen SPF 30**.

Tips:

Medicated Pumice Wash contains a light *peppermint* fragrance. Peppermint is good for moodiness, which can be a natural effect of suffering from acneic or problematic skin.

Sulfur Calming Mask is available for retail ... just what the client with this skin type needs ... solutions in their hands when they are home.

O2 Pro Booster contains *stabilized hydrogen peroxide* which effectively helps kill bacteria and reduce breakouts.

Tricks:

While steaming the **Zyme Peel** you can use a rotary brush for those clients who have an oily build up. This increases the intensity of the peel...more effectively “digesting” oils and excess sebum.

Allow your client to inhale the **Skin Nourishing Balm** (before you perform the neck and shoulder massage). Although these are active, deep-cleansing treatments, it is still important to help the client feel like they are receiving a sense of pampering...this will help to create a good balance.

To avoid the **Sulfur Calming Mask** from becoming over dry, place strips of gauze soaked with water and **Balancing Tonic** over the mask. Removing a mask that is excessively dry can upset skin that is already inflamed or sensitive. Also, this will help extend the active ingredients of the mask.

Spa Prescription

Increase revenue after this wonderful treatment by prescribing complementing home-care products and in-spa treatments. The handy *SpaScriptive*® pad in your kit is easy to fill out, easy for clients to follow, and allows you to keep a copy for your records.

Recommended Follow-Up Spa Treatment

- 1 x per month to clear, every 2 months to maintain.

Recommended Home Care Products

- ❑ Clear & Prevent Skincare Kit (CONTK4)

Complementary Treatments

- ❑ Natural Stone Massage (Available as a Success Kit from Universal Companies (KMU241))
- ❑ Smoothing AHA Body Peel (Available as a Success Kit from Universal Companies (CON14))

Tips for Making the O2 Clear Facial a Truly Special Treatment

- ❑ Add an essential oil to the Body and Linen Spray (ESR7573 or ESR7574). Spray it on your linens or use it as an exotic body spray.
- ❑ For a special aromatherapy experience, add one of the Water Soluble Essential Oils to the water you use to moisten your facial towels. When the towels are warmed in your hot towel cabi, they will smell fabulous.
- ❑ Warm your products prior to applying them to your client's face/body.
- ❑ Perform a hand and/or foot massage while the mask is working.
- ❑ Perform a scalp massage while the mask is working.
- ❑ While your client is relaxing during the mask portion of the treatment, place cool eye stones, eye pads, or herbal eye pads on their eyes.

Tips for Enhancing the Effectiveness of the Treatment

- ❑ Communication is the key to enhancing the effectiveness of your skin care treatments. As you build a relationship with the client, you are also educating him or her about their skin problem and how the *Control Corrective Skincare* system and treatments can achieve their desired results. It cannot be emphasized enough that the client must feel understood. ***Moreover, the client needs to feel that you have a sincere approach that can help them.*** By spending the time needed to educate the client and providing solutions-oriented professional products, you build your own credibility as well as allow them time to process all the information you have shared.
- ❑ For very dehydrated skin, use the Cryogenic Mask (HM200) as an alternative to the Balancing Thermogel Mask.
- ❑ When removing the oxygen product from clients who have sensitive skin, use a Smooth Chamois, which is gentler (especially for sensitive skin) than towels or sponges. The Smooth Chamois is available from Universal Companies.
- ❑ Performing extractions is much easier when you have good, quality equipment. Universal Companies has a several comedone extractors that can facilitate the process.
- ❑ Using sterile needles is a must when extracting comedones and using a needle holder will make your job easier. Both are available from Universal Companies.
- ❑ The oxygen product will be much easier to remove using warm moist towels. In order to always have a ready supply of towels, you may want to invest in a Hot Towel Cabi. Universal Companies has several models available.
- ❑ Analyzing the skin and performing extractions will be easier if you have a good magnifying lamp with a built in light source. Universal Companies has several models available including a Headband Magnifier.
- ❑ The Wood's Lamp is a vital tool to help estheticians diagnose underlying skin conditions. Universal Companies has several models available – a Handheld Wood's Lamp, a Wood's Lamp With Stand, a Skin Inspection Unit, and a UV Skin Analyzer with Camera.
- ❑ Perform a high frequency treatment to spot treat acneic regions.

- ❑ Digital Timers are much more accurate than more traditional bell timers and should be used to time all peels.
- ❑ Utilize Derm-a-Globes or cold stones to cool the face after a peel.

Creating Interest in the Treatment

- ❑ Display the **O2 Clear Facial** counter card in relaxation, retail, and/or changing areas to create interest in the treatment.
- ❑ Include a couple of testers of the Control Corrective Skincare products used in the treatment in the display.
- ❑ If available, include Before and After photos in your display.

Creating Spa Ambiance

- ❑ Tuck towels and other supplies out of sight so that your guest is not distracted by utilitarian objects.
- ❑ Place your trash can out of sight and prop the lid open slightly so that the lid won't clang every time you throw something away. The lids of Universal Companies' trash cans have this feature (propping).
- ❑ Functional ambiance - Use bowls, baskets, and utensils from Universal's new collections for your products and to organize your supplies. They are much more visually appealing than rubber bowls and traditional spa caddies.
- ❑ Have a tabletop fountains operating in the treatment room.
- ❑ During the treatment, play music from Universal Companies *Spa Moments*® Collection to enhance this getaway for the mind and body.
- ❑ Light an aromatherapy candle to set the desired mood.
- ❑ As an alternative aromatherapy experience, use one of Universal Companies Soapstone diffusers. A battery-operated unit with a plug-in option is also available.
- ❑ Have a salt lamp from Universal Companies operating in the room to cleanse the air.

Creating Retail Opportunities

- ❑ Place *Control Corrective Skincare* cleansers and lotions in the restrooms for clients to try.
- ❑ Create a display using retail sizes of each of the recommended home-care products on hand. (At the very least, have them available in the treatment room.)
- ❑ After the treatment, utilize the *SpaScriptive*® Pad for prescriptive selling, describing the benefits and usage of each of the Home Care Products.
- ❑ If the client expresses interest in purchasing one or more of the products, take the product from the display and walk with the guest to check out. If they are going to have another treatment, take the product(s) directly to checkout so that they will be there for the guest when they are ready to leave.
- ❑ Prepackage your recommended home care products into kits to make prescriptive selling and retail sales easy!

Additional Information to Help Sell Recommended Retail Products

Product	Benefit	Usage
Clear & Prevent Skincare Kit	Nourish, correct, and protect with this easy-to-use ensemble – an exfoliating cleanser, a spot treatment, and a UV-blocking moisturizer that delivers hydration without oil. Helps eliminate acne blemishes, unclog pores, and allows your skin to heal. Features maximum-strength salicylic acid, benzoyl peroxide, and powerful anti-irritants to make this the perfect choice for all ages.	Contains Medicated Pumice Wash, Acne Spot Treatment, Clear Med 5%, and Aroma Matte Day Cream.
Salicylic Wash	This gentle foaming cleanser works to smooth and exfoliate dead skin buildup. May be used daily or as directed by your skin care specialist.	Apply a small amount to pre-moistened fingers and lightly massage to affected areas. Rinse with tepid water. May be used 1-2X daily depending on skin type.
Medicated Pumice Wash	A medicated cleansing wash that helps reduce acne bacteria and oily skin.	Apply a small amount to pre-moistened skin and lightly massage affected areas. Then rinse off. Use once or twice daily. Reduce frequency if skin gets too dry.
Exfo Tonic	An antiseptic and exfoliating tonic designed to control excessive oiliness, reduce breakouts, and dissolve dead cell buildup.	Apply or spray onto tissue pad, then apply to entire face or just acne-prone areas as needed. May be applied once or twice daily.
Balancing Tonic	A calming aloe vera based hydrating tonic for all skin types.	Using a cotton pad, apply to entire face and neck. Repeat if desired.

Product	Benefit	Usage
Sulfur Calming Mask	A soothing and healing therapeutic mask that absorbs excess oil and calms inflamed skin.	Using your fingers, apply a thin coat to the entire affected area. Leave on 5 to 10 minutes, and then remove with a wet towel and/or sponges. May be used daily to spot treat congested areas. May be used to spot treat areas or be left on over night.
Balancing Thermogel Mask	Helps to restore and balance dry, dehydrated or flaky skin	Apply liberally with fingers or fan brush. Leave on 7-10 minutes, and then rinse with water. For very dehydrated skin, apply a second coat
Collagen Eye Defense	A lightweight, moisturizing eye cream with botanicals, antioxidants, and lipids. Superior hydration that lasts for hours.	After cleansing, apply to the delicate tissue around the eye area. Use twice daily before applying moisturizer.
Hydrant Stabilizer	A soothing botanical-based facial moisturizing gel that provides much needed hydration for all skin types.	Apply to the face with your fingers and massage in until totally penetrated. Follow with moisturizer.
Oil-Free Sunscreen SPF30	A multi-purpose sunscreen and facial moisturizer. Offers broad spectrum UVA & UVB protection without leaving a greasy film. Contains aloe vera and antioxidants to help soothe and balance the skin.	Apply generously and evenly to all areas 15 minutes prior to sun exposure. Ideal for all skin types. Penetrates quickly and leaves skin hydrated.

Salicylic Wash

Salicylic Wash deep cleans without stripping skin of moisture. Salicylic acid works by gently dissolving the sticky dead skin cell waste that leads directly to blackhead and whitehead formation.

Skin Conditions: For normal/oily/combo or acne-prone skin.

Benefits:

- ❑ Beneficial for face and body.
- ❑ Works to smooth and exfoliate dead skin buildup.
- ❑ Helps digest surface oils and sebum in the pores without over drying.

Usage:

Apply a small amount to pre-moistened fingers and lightly massage to affected areas. Rinse with tepid water. May be used once or twice daily.

Sizes Available: 6.7 oz., 18 oz.

FEATURED ACTIVES:

Salicylic Acid 2% - Helps dissolve the top layer of the stratum corneum very gently, dissolving the flaky dead cells that build up. This also allows the other actives to penetrate and act more potently below the surface of the skin.

Aloe Vera - This plant extract improves the circulation and regenerates the cells. Its effects are soothing, astringent, and protecting. Aloe has been recognized for many years as also being anti-inflammatory and antibiotic. Aloe is also excellent for sensitive skins, rosacea conditions, and dry skin.

Chamomile (Matricaria chamomilla) – Excellent extract for sensitive or allergy-prone skin. Is known to offer antimicrobial and anti-inflammatory properties.

Medicated Pumice Wash

Deep refreshing cleansing without irritation or abrasion. Circular polyethylene granules gently but efficiently exfoliate pore-clogging oils and cellular debris while killing bacteria.

Skin Conditions:

For all skin types either acne-prone or with visible blemishes.

Benefits:

- ❑ Helps reduce acne breakouts
- ❑ Skin feels “deep cleansed”
- ❑ Cleanses without “over drying”
- ❑ Uplifting fragrance

Usage:

Apply a small amount to pre-moistened skin and lightly massage affected areas, then rinse off. Use once or twice daily. Reduce frequency if skin gets too dry.

Sizes Available: 6.7 oz., 18 oz.

FEATURED ACTIVES:

Benzoyl Peroxide 2.5% - Aids in exfoliating the pore lining, killing the bacteria, and reducing the oil. This mild percentage is good for all skin types without being too drying.

Ammonium Lauryl Sulfate - A surfactant with excellent emulsifying capabilities.

Polyethylene Beads - Gently exfoliates the surface of the skin in a non-abrasive manner. May even be used for delicate skin if applied lightly.

Exfo Tonic

This tingling exfoliating antiseptic tonic helps control excess oil, dissolve hardened cellular debris and lighten post-blemish hyperpigmentation. Not suitable for sensitive skin.

Skin Conditions: For thicker, oily skin on the face, chest and back.

Benefits:

- ❑ Controls sebaceous secretions.
- ❑ Exfoliates the epidermal congestion.
- ❑ Helps lighten hyperpigmentation.
- ❑ Astringent and antiseptic.

Usage:

Apply or spray onto tissue pad, then apply to entire face or just acne-prone areas as needed. May be applied once or twice daily.

Sizes Available: 6.7 oz., 18 oz.

FEATURED ACTIVES:

Glycolic Acid 3% - Dissolves the intercellular cement responsible for abnormal keratinization. In acne-prone skin, this is of particular importance as the pore gets clogged and filled with keratinized debris. Glycolic acid helps with both dry and oily conditions, it dissolves the dry and thick layers of the skin and unclogs the pore as well as helping other nourishing products and ingredients penetrate. The stimulation achieved by a therapeutic glycolic product also increases circulation, smoothes uneven skin, and improves the overall functioning of the skin.

Another well-known benefit of glycolic acid is its ability to dissolve and lighten surface hyperpigmentation.

Salicylic Acid 2% - Aids in dissolving the top layer of the stratum corneum by virtue of its keratolytic nature. Salicylic acid is a chemical derived from the bark of sweet birch and leaves of wintergreen. In the 2% concentration, it has the most impact with respect to exfoliation at home. Known for its antiseptic qualities as well, this ingredient is excellent for most skin types, except very dry or sensitive skin. The 2% concentration is much higher than the over-the-counter strengths that are typically much lower in strength – (in the neighborhood of .05% - often not strong enough to get the intended results).

Witch Hazel Extract - Known for its astringent properties, Witch Hazel extract is also toning, anti-inflammatory, and regulating. Derived from the leaves and bark of the tree, also known as Hamamelis, it has a proficient vasoconstrictor effect that is excellent for inflamed irritated or acneic skin conditions. Research has shown that Witch Hazel is effective against free radicals and acts as a UVA and UVB absorber. It is also used in ointments for the treatment of sunburns, bruises and insect bites.

Balancing Tonic

Balancing the skin's pH balance helps restore the skin's protective acid mantle and removes any surface debris. Also excellent post-peel (chemical, laser, microdermabrasion) as a skin soother and hydrator.

Skin Conditions: For sensitive and all skin types

Benefits:

- ❑ Removes impurities.
- ❑ Balances pH levels.
- ❑ Healing for sensitive or irritated skin.
- ❑ Helps bring vitality back to skin.

Usage:

Using a cotton pad, apply to entire face and neck. Repeat if desired.

Sizes Available: 6.7 oz., 18 oz.

FEATURED ACTIVES:

Aloe Vera - This plant extract improves the circulation and regenerates the cells. Its effects are soothing, astringent, and protecting. Aloe has been recognized for many years as also being anti-inflammatory and antibiotic. Aloe is also excellent for sensitive skins, rosacea conditions, and dry skin.

Allantoin - An excellent ingredient for sensitive, acneic and irritated skin conditions. It is a botanical extract derived from comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.

Panthenol - This highly moisturizing ingredient aids in tissue repair and stimulates cellular proliferation. Panthenol also helps the skin promote wound healing and is anti-inflammatory. Its ability to attract water from the environment allows for added hydration and suppleness to the skin.

Citric Acid - This antioxidant ingredient plays an important role in lightening discoloration and has an astringent quality beneficial to all skin types.

Sodium PCA -Serves as a high-performance humectant as it increases the skin moisture content. Derived from amino acids, Sodium PCA is beneficial for all skin types that are dehydrated.

Zyme Peel (Powder & Activator)

A gentle exfoliating mask treatment. Formulated with pancreatic enzymes to help soften sebum and dissolve keratin build-up. Activation results from mixing this powder with the Zyme Peel Activator. Zyme Peel provides outstanding exfoliation for all skin types.

Skin Types & Conditions: All skin types.
Targeted for deep cleansing and gentle resurfacing

Benefits:

- ❑ Dissolves dead cell build up.
- ❑ Stimulates new cell production.
- ❑ Refines pores and skin texture.
- ❑ Enhances surface glow.

Usage: Add approximately one teaspoon of **Zyme Peel Powder** to one teaspoon of **Zyme Peel Activator** to create a creamy paste. Apply with semi-stiff fan brush. Enzyme mixture should be steamed on the client's face for 7-10 minutes. Remove with cotton pads or a damp facial cloth.

Sizes Available: 8 oz.

FEATURED ACTIVES – ZYME PEEL POWDER:

Pancreatin -A bovine derivative that digests cells from the corneum layer. When used in skincare products, pancreatin is reported to improve wound healing, and aids in oxygenation. Pancreatin can act as a vasodilator and is credited with enhancing cellular absorption of nutrients into the skin.

Kaolin (China Clay) -This soft powder clay is a mixture of various aluminum silicates. It provides excellent coverage and has good absorption abilities for the oil and sweat secreted by the skin. It is easily removed by normal cleansing procedures and is considered a non-comedogenic ingredient.

FEATURED ACTIVES – ZYME PEEL ACTIVATOR:

Aloe Vera Gel -Known for its anti-inflammatory and antibiotic properties. Aloe Vera is made up of the most precious substances of our skin – enzymes, vitamins, proteins, and minerals that support all skin functions and activate the skin's self-healing power. Aloe Vera helps maintain the skin's moisture balance and stimulates blood circulation. It has been used to calm and soothe burns and irritations, and it is moisturizing.

Allantoin -An excellent ingredient for sensitive, acneic, and irritated skin conditions. It is a botanical extract derived from the comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.

Chamomile Extract - Has many beneficial properties including being anti-inflammatory, soothing, decongesting, antiseptic and toning. It is also considered anti-itching and bactericidal with an ability to neutralize skin irritations. Excellent in the treatment of inflamed, itchy, or irritated acneic conditions.

O2 Pro Booster

Used to finish off a facial treatment or prior to extractions, the oxygenating action here increases the efficacy of facial treatments by enhancing product absorption. It also kills bacteria on contact without irritating skin. Plus, this concentrated infusion of oxygen into the cells works to instantly encourage skin circulation, vitality and glow.

Skin Types & Conditions: All skin types. Targeted for mature, dull, sluggish or acne-prone skin.

Benefits:

- ❑ Enhances treatment product absorption.
- ❑ Unclogs pores.
- ❑ Clears acne lesions and inflammation.
- ❑ Enhances surface glow.

Usage:

After Cleansing, apply a small amount to face with fingertips. Mild stinging may occur. O2 Pro, a stimulating oxygen cream, helps smooth skin, reduces breakouts, and lightens dark spots. Avoid eye area. Not for sensitive skin. If irritation occurs, discontinue use.

Size Available: 1.7 oz.

FEATURED ACTIVES:

Stabilized Hydrogen Peroxide 4% - Kills acne bacteria, increases microcirculation in the skin, helps the skin achieve balance, and disinfects. The 4% strength is most effective for acne and hyperpigmentation. The stabilized oxygen penetrates into the skin by transforming a liquid to a gas, providing an improvement in cell metabolism and an increase in circulation.

Salicylic Acid 2% -Aids in dissolving the top layer of the stratum corneum by virtue of its keratolytic nature. Salicylic acid is a chemical derived from the bark of sweet birch and leaves of wintergreen. In the 2% concentration, it has the most impact with respect to exfoliation at home. Known for its antiseptic qualities as well, this ingredient is excellent for most skin types, except very dry or sensitive skin. The 2% concentration is much higher than the over-the-counter strengths that are typically much lower in strength – (in the neighborhood of .05% - often not strong enough to get the intended results).

Glycolic Acid 2% -Dissolves the intercellular cement responsible for abnormal keratinization. **In this particular formulation, the glycolic acid serves to prepare the skin to receive oxygen without the risk of irritation.** In acne-prone skin, this is of particular importance as the pores are clogged and filled with keratinized dead cells. Glycolic acid helps with dry and oily conditions alike. It dissolves the dry and thick layers of the skin and unclogs the pore as well as helping other nourishing products and

ingredients to penetrate. The stimulation achieved by a therapeutic glycolic product also increases circulation, smoothes uneven skin, and improves overall functioning of the skin. Another well-known benefit of glycolic acid is its ability to dissolve and lighten surface hyperpigmentation, often seen in acne-prone skin.

Vitamin A Ester -This essential vitamin for the skin favors tissue growth, helping improve the skin's smoothness, firmness and texture. Vitamin A, applied topically helps prevent scaling and dryness. Once Vitamin A esters enter the skin, they convert to retinoic acid and provide rejuvenation benefits as well as help the skin fight off infection. An excellent aid to the healing of damaged skin tissue.

Jasmine Oil (in an alcohol base) -A lovely fragrant essential oil, Jasmine oil has been used for years to treat dry and sensitive skin. Reported to stimulate the fibroblast cells thus increasing the skin's ability to function, this very precious essential oil is an excellent additive to a therapeutic regimen.

Sulfur Calming Mask

Creamy, comforting therapy absorbs excess oil, helps reduce enlarged pores and offers cool relief for tender, hurting skin.

Skin Conditions: For all skin types with inflamed skin that needs a calming interlude or a daily spot treatment.

Benefits:

- ❑ Helps reduce inflammation, over-active sebaceous activity and congestion.
- ❑ Soothes, nourishes and heals the skin.
- ❑ Absorbs oils and calm the skin.
- ❑ Helps decongest the pores.

Usage: Apply a thin coat with fingers to the entire affected area. Leave on 5 to 10 minutes, and then remove with a wet towel and/or sponges. May be used daily to spot treat congested areas.

Sizes Available: 2 oz., 8 oz.

FEATURED ACTIVES:

Sulfur 10% - Reduces the inflammation associated with acne as it dissolves the skin's surface layer of dead cells. It also increases the potency of benzoyl peroxide and is excellent for resistant acneic cases.

Zinc Oxide - This technologically advanced patented formula of zinc oxide blocks both UVA and UVB rays. It provides the broadest spectrum protection of any single sunscreen ingredient. Microfine zinc oxide is an inorganic sunblock, also known as a “non-chemical” sunblock ingredient. It is not absorbed into the skin and is recognized as a treatment for calming irritated skin.

Titanium Dioxide - When Titanium Dioxide is applied to the skin it scatters UV light thereby offering the skin UV protection. This non-chemical SPF ingredient reduces the risk of allergic reaction often attributed to using chemical sunscreen ingredients.

Eucalyptus - Eucalyptus oil has long been considered beneficial for its disinfectant properties and antiseptic action.

Kaolin (China Clay) - This soft powder clay is a mixture of various aluminum silicates. It provides excellent coverage and has good absorption abilities for the oil and sweat secreted by the skin. It is easily removed by normal cleansing procedures and is considered a non-comedogenic ingredient.

Balancing Thermogel Mask

Balancing Thermogel Mask – complete with anti-inflammatory properties - is excellent for soothing skin after exfoliation or extraction. Ideal for rehydrating skin back to normal after sun exposure, a ski trip, a long flight or in punishing weather.

Skin Types & Conditions: For dry to normal skin.

Benefits:

- ❑ Calming and soothing
- ❑ Super hydrating for dry, dehydrated skin
- ❑ Reduces redness after peels, extractions and sunburns

Usage:

Apply liberally with fingers or fan brush. Leave on 7-10 minutes, and then rinse with water. For very dehydrated skin, apply a second coat.

Sizes Available: 2.5 oz., 6 oz.

FEATURED ACTIVES:

Aloe Vera - Known for its anti-inflammatory and antibiotic properties. Aloe Vera is made up of the most precious substances of our skin – enzymes, vitamins, proteins, and minerals that support all skin functions and activate the skin’s self-healing power. Aloe Vera helps maintain the skin’s moisture balance and stimulates blood circulation. It has been used to calm and soothe burns and irritations. It also moisturizes.

Panthenol - This highly moisturizing ingredient aids in tissue repair and stimulates cellular proliferation. Panthenol also helps the skin promote wound healing and is anti-inflammatory. Its ability to attract water from the environment makes it provide added hydration and suppleness to the skin.

Allantoin - An excellent ingredient for sensitive, acneic, and irritated skin conditions. It is a botanical extract derived from comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.

Chamomile - Chamomile Extract has many beneficial properties including being anti-inflammatory, soothing, decongesting, antiseptic, and toning. It is anti-itching and bactericidal with an ability to neutralize skin irritations. Excellent in the treatment of inflamed, itchy, or irritated acneic conditions.

Vitamin E (Tocopherol) - An antioxidant found in essential oils and vegetable oils. Also known as tocopherol, this wonderful vitamin, when applied topically, is well absorbed through the skin. It is attributed with reducing skin pigmentation, decreasing functioning of the sebaceous glands, increasing water retention in the skin, and serves as a super antioxidant and free radical scavenger. It is also helpful as an UV protectant

Sodium Hyaluronate – Credited with incredible water binding capabilities, which in turn helps improve the skin's elasticity and increasing moisture content. Considered a natural moisturizer for the skin this is a must-have ingredient for dry, dehydrated skin types.

Collagen Eye Defense

Featuring a superior blend of penetrable lipids, Collagen Eye Defense gently plumps surface dehydration (without causing undereye bags) and fine lines while enhancing skin flexibility and improving texture.

Skin Types & Conditions: For All Skin Types.

Benefits:

- ❑ Helps lighten pigmentation
- ❑ Gently tones & soothes the eyes
- ❑ Hydrates and moisturizes

Usage:

After cleansing, apply to the delicate tissue around the eye area. Use twice daily before applying moisturizer.

Sizes Available: 0.5 oz., 2.5 oz.

FEATURED ACTIVES:

Hydrolyzed Collagen - Beneficial for its ability to water- bind and retain moisture in the corneum layer, it creates a film that keeps the water ‘locked in’ reducing dehydration. A humectant and an anti-irritant, this stable protein is known to be non-allergic to all skin types.

Hydrolyzed Elastin - This refined ingredient is very effective in helping eliminate dryness, enhance flexibility and improve texture of the skin. It influences the formation of tropocollagen fibers when used with soluble collagen. It helps improve the overall appearance, softness, and suppleness of the skin.

Wheat Germ Oil - Known to be antioxidant and serves as a free radical scavenger.

Retinyl Palmitate (Vitamin A) - This essential vitamin for the skin favors tissue growth, helping improve the skin smoothness, firmness and texture. Applied topically, Vitamin A helps prevent scaling and dryness. Once Retinyl Palmitate enters the skin, it converts to retinoic acid and provides rejuvenation benefits as well as helping the skin fight off infection. An excellent aid in healing damaged skin tissue.

Vitamin E (Tocopherol) – An antioxidant found in essential oils and vegetable oils. Also known as tocopherol, this wonderful vitamin, when applied topically, is well absorbed through the skin. It is attributed with reducing skin pigmentation, decreasing functioning of the sebaceous glands, increasing water retention in the skin, and serving as a super antioxidant and free radical scavenger. It is also helpful as an UV protectant.

Licorice Root Extract - This botanical extract has been used for hundreds of years for skin care. It is a native from Europe and China. Its benefits include suppressing melanin formation in the skin and it is considered an antioxidant. It is non-allergic, non-irritating, soothing, anti-inflammatory, and has an effect similar to hydrocortisone.

Sodium Hyaluronate (Hyaluronic Acid) - Occurring naturally in the dermis layer, its water absorbing abilities help the epidermis achieve much needed suppleness and moisture. Known for its wonderful water binding ability, this acid holds water tightly and, when applied, forms a film similar to the way it holds water in the intercellular matrix of the dermal connective tissue. It is also useful as a carrier for other active ingredients and extracts.

Bilberry Extract - This botanical extract has antiseptic, astringent, and anti-inflammatory qualities.

Cucumber Extract - This plant extract is credited with moisture-binding, moisture-regulating, soothing, tightening, anti-itching, refreshing, softening, healing, and anti-inflammatory properties.

Jojoba Oil - This botanical derived oil is used as a moisturizer and emollient. It has healing properties and reduces trans-epidermal water loss without blocking other essential ingredients from penetrating. It creates a supple and soft skin tone.

Skin Nourishing Balm

The Skin Nourishing Balm helps heal the skin's protective barrier while delivering beneficial emollients, vitamins, and soothing natural extracts.

Skin Conditions: Dry, dehydrated or sensitive skin. Targeted for moisturizing, healing and calming.

Benefits:

- ❑ Replenishes moisture.
- ❑ Softens and conditions.
- ❑ Calms irritation.

Usage: Ideally used as a massage balm for dry, dehydrated skin or at night to moisturize, soften, and nourish the skin.

Size Available: 2 oz.

FEATURED ACTIVES:

Calendula (*Calendula officinalis*) - Derived from the Marigold plant, Calendula is well known for its ability to heal broken skin, and is credited with providing soothing, anti-septic and wound-healing properties

High Altitude Lavender Oil- Commonly used to help acne, control the production of sebum, rejuvenate the skin, and calm sunburn, and itching. Lavender is the most widely used essential oil in aromatherapy, particularly for its relaxing properties and use for sensitive, dry skin.

Sweet Orange Oil – (*Citrus sinensis*). A “skin rejuvenator”. The characteristic freshly peeled orange aroma of Sweet Orange essential oil is gently calming and uplifting when inhaled. For skin, it is anti-bacterial, astringent, cleansing and skin toning.

Jojoba Oil – Beneficial to help treat dry or oily skin. If your skin has an over production of sebum jojoba oil will dissolve clogged pores and restore the skin to its natural pH balance.

Shea Butter -Extremely therapeutic; helping to heal cracked, aged and damaged skin. Its chemical constituents help to heal bruising and soreness. Shea butter penetrates the skin and leaves it feeling soft and smooth.

Kukui Nut - High in essential fatty acids and particularly beneficial for sensitive skin, mature, damaged, wrinkled skin, aid in softening and restructuring the skin. High in linoleic and linolenic acids, which are essential fatty acids vital for the metabolism of healthy skin. Kukui nut oil is easily absorbed by the skin.

Vitamin E T50 -A potent anti-oxidant that helps protect the skin from the damaging effects of UV radiation exposure and ozone damage. It is a great healer, particularly of burns and scars, and makes a wonderful stretch mark treatment or prevention. Vitamin E Oil can aid in the battle against acne by speeding healing, and can help prevent scarring from eczema and psoriasis. It also reduces the reddening of skin following sun exposure.

Hydrant Stabilizer

Skin dehydration can derive from your own natural body chemistry, too-drying topical products, harsh weather conditions, environmental pollutants, medications or poor diet. Whatever the source, Hydrant Stabilizer enables the skin to hold on to beneficial moisture.

Skin Conditions: For all skin types

Benefits:

- ❑ Calms down irritated skin.
- ❑ Heals and repairs sensitized skin.
- ❑ Help the skin retain water and keeps skin balanced.

Usage:

Apply to the face with fingers and massage in until totally penetrated. Follow with moisturizer.

Sizes Available: 2.5oz, 6oz

FEATURED ACTIVES:

Aloe Barbadensis Leaf Juice - This plant extract improves the circulation and regenerates the cells. The effects are soothing, astringent, and protecting. Aloe has been recognized for many years as being anti-inflammatory and antibiotic. Aloe is also excellent for sensitive skin, rosacea conditions, and dry skin.

Allantoin - An excellent ingredient for sensitive, acneic, and irritated skin conditions. It is a botanical extract derived from the comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.

Panthenol - This highly moisturizing ingredient aids in tissue repair and stimulates cellular proliferation. Panthenol also helps the skin promote wound healing and is anti-inflammatory. Its ability to attract water from the environment makes it provide added hydration and suppleness to the skin.

Glycerin - Helps the skin retain moisture.

Chamomile - Has many beneficial properties including being anti-inflammatory, soothing, decongesting, antiseptic and toning. It is also considered anti-itching, bactericidal with an ability to neutralize skin irritations. Excellent in the treatment of inflamed, itchy or irritated acneic conditions

Sage - An herbal extract that is credited with antiseptic, antibacterial, astringent and healing properties.

Citrus Medica Limonum (Lemon) Fruit Extract - Extracted from the fruit, this fragrant ingredient is both toning and astringent and helps balance the skin.

Arnica - First used for cuperose conditions due to its anti-inflammatory, healing, and antiseptic properties. It has since been incorporated into acne-control products due to its excellent ability to aid in the production of new tissue growth and to treat damaged, reddened and irritated skin.

Oil-Free Sunscreen SPF30

Microfine zinc and other skin defenders offer broad spectrum physical sunscreen protection from both UVA (the aging rays) and UVB (the burning rays) radiation. Fragrance-free, safe for sensitive skin or those with hyperpigmentation.

Skin Types & Conditions: For all skin types.

Benefits:

- ❑ Helps fight free radicals as it protects
- ❑ Calms and heals sun exposed skin
- ❑ Hydrates and moisturizes

Usage:

Apply generously and evenly to skin 15 minutes prior to sun exposure. Ideal for all skin types. Penetrates quickly and leaves skin hydrated. Safe for sensitive skin.

Sizes Available: 2.5 oz., 6 oz.

FEATURED ACTIVES:

Zinc Oxide 2% - This technologically advanced patented formula of zinc oxide blocks both UVA and UVB rays. It provides the broadest spectrum protection of any single sunscreen ingredient. Microfine zinc oxide is an inorganic sunblock, also known as a “non-chemical” sunblock ingredient. It is not absorbed into the skin and is recognized as a treatment for calming irritated skin.

Octinoxate 5% - This ingredient is an excellent UV absorbing sunscreen. It is non-allergenic, non-comedogenic, and is derived from cinnamon leaves.

Octisalate 3% - An excellent UV sunscreen ingredient which is non-comedogenic and is derived from salicylic acid, which comes from the leaves of wintergreen.

Oxybenzone 3% is a derivative of **Benzophenone-3** - A safe and effective sunscreen ingredient that is one of the most effective and highest rated substances to absorb UVA and UVB rays.

Aloe Vera - This plant extract improves the circulation and regenerates the cells. Its effects are soothing, astringent, and protecting. Aloe has been recognized for many years as also being anti-inflammatory and antibiotic. Aloe is also excellent for sensitive and dry skin conditions.

Vitamin E (Tocopherol) - An antioxidant found in essential oils and vegetable oils. Also known as Tocopherol, this wonderful vitamin, when applied topically, is absorbed through the skin. It is attributed with reducing skin pigmentation, decreasing functioning of the sebaceous glands, increasing water retention in the skin, and serving as a super antioxidant and free radical scavenger. It is also helpful as a UV protectant.

Comfrey Extract - This herbal extract relieves and soothes tender and inflamed skin. It contains a natural form of allantoin and is credited with healing, astringent, and emollient properties. It has been known to be helpful with sunburn and itching skin conditions.

Panthenol - This highly moisturizing ingredient aids in tissue repair and stimulates cellular proliferation. Panthenol also helps the skin promote wound healing and is anti-inflammatory. Its ability to attract water from the environment allows for added hydration and suppleness to the skin.

Vitamin A (Retinyl Palmitate) - This essential vitamin for the skin favors tissue growth, helping improve the skin smoothness, firmness and texture. Applied topically, Vitamin A helps prevent scaling and dryness. Once Vitamin A esters enter the skin, they convert to retinoic acid and provide rejuvenation benefits as well as help the skin fight off infection. An excellent aid to healing damaged skin tissue.
