4. First aid measures

Never give anything by mouth to an unconscious person.

If in eyes: Rinse cautiously with water for several minutes. Get medical advice/attention.

If on skin: Rinse cautiously with polyethylene glycol, then with water. Remove contaminated clothes.

If swallowed: Rinse out mouth and then drink plenty of water. Be cautious with vomiting. Hazard of aspiration. Consult a doctor immediately!

5. Firefighting measures

Suitable extinguishing media: foam, powder, CO₂

In case of fire: Cool storage devices with water.

In case of fire: Remove containers from danger area. Evacuate persons from danger area.

6. Measures in case of accidents and leakages

Individual Precautions:

Avoid fire and sparks at the leakage. No smoke. Provide adequate ventilation.

Environmental protection measures: Do not empty into drains.

Cleaning procedures: Eliminate with absorbent material and dispose properly.

7. Handling and storage

Pressurized container. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition – No smoking. Keep out of the reach of children. Avoid contact with the eyes and inflamed skin. Do not use for any other purpose. Keep container in a well-ventilated place. Keep container tightly closed.

8. Stability and Reactivity

Thermal decomposition: No decomposition or dangerous reaction with proper use and storage.

Dangerous reactions: Explosion hazard in fires or source of ignition (pressurized container).

9. Physical properties

Odor	typical
Color	product specific
Flow behavior	aerosol
Boiling point:	N/A
Flash point:	> 100°C
