FUSION

THE FUTURE OF CHAIR MASSAGE

The Fusion +Studio stationary massage chair makes a quantum leap in the chair massage experience. The Fusion incorporates the latest in meditative nature journeys, chromatherapy, and electronic adjustability to dramatically intensify the relaxation experience.

- iPad mini
- Moving Art™ meditative nature journeys
- +Studio sound cushion and aromatherapy well
- Chromatherapy armrest with a 16 color palette
- Electronic seat and chest adjustment
- Heated chest pad and knee rest
