
Manuka Honey Drizzle

Manuka, a rare variety of honey found only in New Zealand and renowned for its restorative and antibacterial properties, is the foundation of this nourishing bath treatment. Enriched with a unique blend of citrus extracts and pure essential oils, honey drizzle will leave your guest's skin deliciously soft and glowing from head-to-toe. Using the accompanying dipper, drizzle under warm, running water and allow your guest to relax as their stress melts away.

Ingredients

Organic Clover Honey, Glycerin, Manuka Honey, Helianthus Annuus (Sunflower) Seed Oil, Di-PPG-2 Myreth-10 Adipate, Behintrimonium Methosulfate, Cetearyl Alcohol, Citrus Aurantium Dulcis (Sweet Orange) Oil, Saccharum Officinarum (Sugar Cane) Extract, Acer Saccharinum (Sugar Maple) Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Organic Citrus Medica Limonum (Lemon) Fruit Extract, Vaccinium Myrtillus (Bilberry) Extract.

Key Ingredients

- **Glycerin:** This soothing, natural humectant draws moisture from the air to the skin. Glycerin is an emollient, which makes the skin feel softer and smoother as it reduces irritation.
- **New Zealand Manuka Honey:** This special variety of honey is gathered exclusively from bees that feed on an indigenous plant known as the Manuka bush. Arguably the most nourishing honey in the world, it has been scientifically documented to contain high levels of sun protection.
- **Sugar Maple, Sugar Cane, Lemon, Orange and Bilberry Extracts:** This fruit acid blend is a natural source of alpha hydroxyl acids that have cell renewing, firming and soothing effects on the skin. They work to chemically remove the web of dead cells which normally cling to the surface of the skin, dulling its complexion.
- **Sunflower Oil:** The seeds of that brilliantly colored yellow flower yield this versatile oil. Rich in essential fatty acids, sunflower oil conditions and regenerates the skin with generous doses of vitamins A and E.
- **Sweet Orange Oil:** Considered to be anti-inflammatory, antibacterial, antispasmodic, and sedative. Suitable for sensitive, delicate skin.

Benefits

- Helps renew cells and firm and soften the skin.
- Natural alpha hydroxyl acids dissolve dead skin cells.
- Rich in essential fatty acids and vitamins A and E.
- Nourishes the skin.
- Phthalate free.

Usage

Using the accompanying honey stick, drizzle product into warm, running water and allow your guests to slip inside a cocoon of nourishment. Just as indulgent, it can be used as a body masque - slather your guests in honey goodness from their shoulders down to their toes and assist them into a bath of warm water and allow them to soak their cares away.
