# Wildberry Body Polish

Succulent strawberries, plucked from the garden when perfectly ripe, blend with red raspberry oil and pure cane sugar in a delicious scrub that fortifies the skin with fruit acids and essential vitamins. Never an oily residue, this creamy paste leaves only a delightful berry aroma in its wake. Buff away dead cells to unveil smooth, supple, skin.

## Ingredients

Organic Cane Sugar (Sucrose), Certified Organic Helianthus Annuus (Sunflower) Seed Oil, Certified Organic Glycine Soja (Soybean) Oil, Cocos Nucifera (Coconut) Oil, Stearic Acid (Vegetable-Derived), Fragaria Vesca (Strawberry) Fruit, Polysorbate 20, Perfume (Fragrance), Certified Organic Butyrospermum Parkii (Shea) Butter, Rubus Idaeus (Raspberry) Seed Oil, Tocopheryl Acetate (Vitamin E).

## Key Ingredients

- **Coconut Oil:** Effective skin moisturizer. Skin softener.
- **Organic Shea Butter:** Revered for centuries by the women of Africa, shea butter is a renowned skin soother. Obtained from the karite nuts of a tree native to the West African tropics, the supple butter's high concentration of fatty acids gives it the ability to deeply moisturize and retain the elasticity of the skin, while also protecting against the damaging effects of the sun.
- **Organic Soybean Oil:** Helps stimulate the production of collagen, elastin, proteoglycans, and structural glycoproteins.
- **Organic Sugar:** Pure organic sugar crystals gently polish skin by mechanically removing the web of dead cells which routinely cling to the skin and dull the complexion.
- **Organic Sunflower Oil:** The seeds of that brilliantly colored yellow flower yield this versatile oil. Rich in essential fatty acids, sunflower oil conditions and regenerates the skin with generous doses of vitamins A and E.
- **Raspberry Seed Oil:** This unique oil is incredibly moisturizing and emollient. Rich in polyphenols, vitamin E and natural antioxidants, it's rarely seen in the cosmetics market thanks to its exceptionally high cost. The natural oil is also abundant in vitamin A and studies have lamented its remarkable anti-inflammatory properties, making it useful in the treatment of eczema, psoriasis and other skin conditions.
- **Strawberry Fruit:** Mother Nature gifted strawberries with a multitude of blessings: they abound in vitamin C and antioxidants, along with natural fruit acids. We blend genuine strawberry powder into several of our most delicious formulas; the stunning pink color it lends to our products is the icing on the cake for the age defying berry treats.
- **Vitamin E:** A well-known and trusted partner in skin care, vitamin E is an effective antioxidant. In addition, it is readily absorbed into your skin and creates a shield that protects against ultraviolet light skin damage, the leading cause of visible skin aging.

## Benefits

- Fortifies the skin with fruit acids and essential vitamins.
  - Rich in essential fatty acids, sunflower oil conditions and regenerates the skin with generous doses of vitamins A and E.
  - Buffs away dead skin cells to unveil smooth, supple, skin.
  - Helps stimulate the production of collagen, elastin, proteoglycans, and structural glycoproteins.
  - Innovative creamy-style scrub ensures less product loss and easier handling by spa technicians. Product will not run through your fingers and does not leave an oily mess in its wake.
-

- 
- Leaves no oily residue.
  - Phthalate free.
  - Vegan.

**Usage**

Massage scrub onto your guest's entire body. Use gentle circular motions and focus on rough patches. Assist your guest to the shower or remove with warm, moist towels.

**Sizes**

Retail – 14 oz. (BL124)

Backbar – 40 oz. (BL125)
