
Orchid & Crushed Pearl Body Crème

Restore supple skin with this incredibly rich - yet impossibly light- body crème from Bella Luccè. Formulated with nourishing oils and crushed freshwater pearls, our luscious moisturizer harnesses the power of real orchids. It's all you need for silky soft, beautifully smooth skin.

Ingredients

Aqua (Purified Water), Oryza Sativa (Rice) Bran Oil, Sesamum Indicum (Sesame) Seed Oil, Vegetable Glycerin, Emulsifying Wax NF, Palm Stearic Acid, Garcinia Indica (Kokum) Seed Butter, Caprylic/Capric Triglyceride (and) Cymbidium Grandiflorum (Orchid) Flower Extract, Parfum (Fragrance*), Pearl Powder, Algae Extract (and) Lentinus Edodes (Shiitake Mushroom) Extract (and) Ganoderma Lucidum (Reishi Mushroom) Stem Extract, Tocopheryl Acetate (Vitamin E), Phenoxyethanol (and) Caprylyl Glycol, *Benzyl Benzoate, *Linalool, *Butylphenyl Methylpropional.

*fragrance components

Key Ingredients

- **Kokum Butter:** The Garcinia Indica tree, native to India, yields this creamy butter with supercharged emollient properties. As it melts instantly on the skin, kokum works to reduce the development of wrinkles and restore skins elasticity.
- **Mushroom Extract:** Bella Luccè's mushroom extract is a proprietary blend of both shiitake and manentake mushrooms, both of which are some of the most prized plants in ancient Chinese pharmacopoeia. In clinical studies, this extract blend was clinically proven to increase cell renewal, boost collagen synthesis, and improve skin's overall appearance.
- **Orchid Extract:** The exotic, delicate flowers aren't just eye candy. Bella Luccè's orchid extract harnessed the power of real Cymbidium orchids, which have long been revered for their reparative and protective properties.
- **Pearl Powder:** Celebrated by Asian women and ancient Chinese pharmacopoeia for more than 3,000 years, pearl powder has a rich history and a myriad of legendary tales about its use at the Imperial Palace. Created by pulverizing real freshwater pearls, it is reputed to boost skin's brightness and is rich in both amino acids and trace minerals.
- **Rice Bran Oil:** High in fatty acids and unsaponifiables, rice bran oil is a natural antioxidant which also offers a small degree of sunscreen protection.
- **Sesame Oil:** Those nutty little seeds that adorn the top of your hamburger bun hold a secret: sesame is rich in amino acids and natural antioxidants. Long prized in ancient Indian ayurvedic medicine, sesame oil has a superior moisturizing effect on the upper layer of the skin and can reduce scars.
- **Vegetable Glycerin:** This soothing, natural humectant draws moisture from the air to the skin. Glycerin is an emollient, which makes the skin feel softer and smoother as it reduces irritation.
- **Vitamin E:** A well known and trusted partner in skin care, vitamin E is an effective antioxidant. In addition, it is readily absorbed into your skin and creates a shield that protects against ultraviolet light skin damage, the leading cause of visible skin aging.

Benefits

- Contains amino acids and natural antioxidants to slow the development of the signs of aging.
- Helps reduce the development of wrinkles and restore skin's elasticity.
- Helps renew cells, boost collagen synthesis, and improve skin's overall appearance.
- Moisturizing.
- Phthalate free.
- Vegan.

Usage

Finishing crème – apply to the entire body as a moisturizer.
