
Warming Pumpkin Masque

Pumpkin is one of the most powerful weapons in Mother Nature's arsenal and nowhere is that more evident than in this soothing face masque. The natural enzymes in organic pumpkin dissolve dead cells as its gentle blend of powdered honey and detoxifying clay draws toxins from the skin. Coconut milk deeply nourishes tired tissue as you enjoy a burst of warmth when the masque is mixed and applied. You'll notice softer, visibly renewed skin after just one application.

Ingredients

Cucurbita Pepo (Pumpkin) Powder, Crystalline Aluminosilicate, Cocos Nucifera (Coconut) Fruit Juice Powder, Kaolin Clay, Oat Flour, Honey Powder

Key Ingredients

- Coconut Powder: Effective skin moisturizer. Skin softener.
