## Collagen Hydrating Sheet - Pure Collagen/Hydrating

### Description

This Collagen Mask is an intensive moisturizing treatment to fight against premature aging, wrinkles, and slacking of the skin. Great for any skin condition. Completely free of preservatives and perfumes.

The Collagen Sheets are made of a native collagen fiber network and of a monomer soluble collagen. The mask is based on the original structure of collagen in the skin, having extremely high water absorbing capacity similar to the skin's connective tissue. This intense collagen treatment will leave the skin more hydrated with less visible fine lines and wrinkles.

**Skin Type:** All skin types, especially mature skin.

### Benefits:

- Hydrating. Will leave the skin more hydrated with less visible fine lines and wrinkles.

### Ingredients

Collagen, Hydrogenated Polyisobutane, PPG-15 Stearyl Ether, PEG-40 Sorbitan Peroleate.

Collagen	Great hydration potential. Can bind and retain many times its weight in water.
Hydrogenated Polyisobutane	A synthetic oil that is used as a mineral oil substitute. It is an emollient and moisturizer, and prevents water loss.
PEG-40 Sorbitan Peroleate	An emulsifying and wetting agent. Not safe for use on injured or damaged skin.
PPG-15 Stearyl Ether	An emollient and skin conditioning agent.

### Usage Instructions

The mask is designed to be custom trimmed to accommodate all clients.

1. Set the facial steamer or prepare hot towel cabi with towels.
2. Pre-moisten the face using your fingertips.
3. Apply the mask and lightly press into place.
4. Cover the area with a warm towel and apply light pressure to saturate the mask or hold the mask into place using steam until the mask is thoroughly saturated.
5. Leave the mask on the client for a minimum of 20 minutes with the steam or carefully change warm towels as needed.
6. The mask will turn into a gel-like substance that can be removed easily.
7. After removing the mask, blot the client's face with tissue.
8. Apply a protective moisturizer according to your client's skin type.

---

*Note: For a more complete collagen treatment, infuse a collagen ampoule prior to the mask.*
