

## Sponges

### Compressed Sponges

A favorite among estheticians, these sponges are not only a great value, but they make the most out of any storage space. Made in the USA. Fully biodegradable and compostable.

Round sponges measure 3" x 3/8" thick.  
 Oval sponges measure 2.25" x 3.25" x 3/8" thick.  
 Body sponges measure 5.5" L x 3.75" W.+
