

Herbal Select™ Face Therapy Lotion

BIOTONE starts with pure, natural ingredients in organic or wild crafter form to create Herbal Select Face Therapy Lotion. This special formula delivers soft, gentle touch and skin beautifying benefits especially for the delicate face, eye and neck areas. The soothing face lotion contains the finest ingredients you'll find in facial massage lotions. Use it with confidence on all skin types- its unique combination of light emollients and natural botanicals assures comfort and glide throughout the session without clogging pores.

FEATURES	BENEFITS
Non-comedogenic. Contains no base oils. Utilizes Coconut Oil Ester	Will not clog pores. Safe for skin with oily skin
Alcohol- Free	Will not dry skin
