

INSPIRATION:

This highly specialized, non-aromatic herbalist formulation is prepared by hand with organically grown herbs. Unlike typical massage and bath oils made with herbal extracts or aromatic essential oils, Farmaesthetics' Remedy Oils are infused with whole organic herbs. The herbs we choose undergo a traditional infusion process, allowing time to garner the healing properties

inherent in each. The result is significant when used in hot bath soaks and external massage and absorbed through the skin.

Nettle

Effective massage oil for cases of childhood eczema, cradle cap and nervous-onset skin irritations. Excellent oil for dry flaky scalps, on adult & baby alike. Nettle has been known and used for centuries in massage, to help stimulate new hair growth on men and women experiencing thinning hair, and/or balding.

INGREDIENTS: sweet almond oil, organically grown whole nettle* and vitamin e (*certified organic ingredient**)

Sweet Almond Oil	A light, odorless, high-grade fruit kernel oil - wonderfully nourishing to the skin.
Nettle	A few of the constituents in Nettle are histamine, chlorophyll, iron, Vitamin C. Nettle is known as a powerful tonic to the body, strengthening and supporting the entire system. Nettle is a specific in cases of childhood eczema and nervous-onset skin irritations. Massage with the whole herb infused oil, will treat everything from a generally weakened systems and arthritic conditions, to dry flaky scalps on adults and cradle cap on babies. This herb is used in its entirety as a whole herb infusion. (Not an extract).
Vitamin E	Used to stabilize all of Farmaesthetics natural non-aqueous formulations. Benefits in restoring skin's elasticity. Assists in healing scars and preventing stretch marks in skin that is being stretched from pregnancy or weight gain.
