Procedures

- As a nighttime reparative & moisture application: With fingertips, apply approximately 4 drops to entire face and neck. *(Best applied when skin is clean & damp.)*
 - As an under eye treatment to reduce puffiness: Dab 1-2 drops under eyes and leave on. Wake to skin that is supple, vibrant, and firm.
 - Use on brows and lashes to condition and encourage thick, healthy growth.
 - Massage into tissue around the mouth to provide a deep, penetrating treatment to smooth fine lines and to plump and moisten the lips.
