

Advanced Therapy™ Massage Gel

Spreading effortlessly over the skin, this seed-oil based gel has one of the lightest, most pleasant textures you'll find. Advanced Therapy Massage Gel offers significantly more coverage than typical oils so you use much less. It provides therapists with the unique combination of an effective lubricant with nothing to irritate even the most sensitive, delicate skin. Sensitivity tested and proven safe, this formula contains no drying alcohol, mineral or nut oils or strong fragrance so you can use it as frequently as you'd like. Advanced Therapy Gel is based with skin Apricot Oil to soften skin, Grapeseed Oil for its exceptional light texture and non-greasy finish and Sesame Oil, which soothes and moisturizes all skin types, and can aid eczema and psoriasis.
