

Hydrant Stabilizer

Sizes Available
2.5oz, 6oz

Product Description:

Skin dehydration can derive from your own natural body chemistry, too-drying topical products, harsh weather conditions, environmental pollutants, medications or poor diet. Whatever the source, Hydrant Stabilizer enables the skin to hold on to beneficial moisture.

Skin Conditions:

For all skin types.

Benefits:

- Calms down irritated skin
- Heals and repairs sensitized skin
- Help the skin retain water and keeps skin balanced

Usage: Apply to the face with fingers and massage in until totally penetrated. Follow with moisturizer.

Treatment Room: O2 Clear Facial, Clarifying Enzyme Facial, Smoothing A.H.A Body Peel.

Featured Actives:

Aloe Barbadensis Leaf Juice - This plant extract improves the circulation and regenerates the cells. The effects are soothing, astringent, and protecting. Aloe has been recognized for many years as being anti-inflammatory and antibiotic. Aloe is also excellent for sensitive skin, rosacea conditions, and dry skin.

Allantoin - An excellent ingredient for sensitive, acneic, and irritated skin conditions. It is a botanical extract derived from the comfrey root and is known to be healing. Furthermore, studies show that this extract aids in the healing of scarred skin by stimulating new tissue growth.

Panthenol - This highly moisturizing ingredient aids in tissue repair and stimulates cellular proliferation. Panthenol also helps the skin promote wound healing and is anti-inflammatory. Its ability to attract water from the environment makes it provide added hydration and suppleness to the skin.

Glycerin - Helps the skin retain moisture.

Hydrant Stabilizer

Chamomile - Has many beneficial properties including being anti-inflammatory, soothing, decongesting, antiseptic and toning. It is also considered anti-itching, bactericidal with an ability to neutralize skin irritations. Excellent in the treatment of inflamed, itchy or irritated acneic conditions.

Sage - An herbal extract that is credited with antiseptic, antibacterial, astringent and healing properties.

Citrus Medica Limonum (Lemon) Fruit Extract - Extracted from the fruit, this fragrant ingredient is both toning and astringent and helps balance the skin.

Arnica - First used for cuperose conditions due to its anti-inflammatory, healing, and antiseptic properties. It has since been incorporated into acne-control products due to its excellent ability to aid in the production of new tissue growth and to treat damaged, red-denied and irritated skin.
