

## Cellular Repair Serum

Sizes Available  
1oz

### Product Description:

Efficient and long-lasting, this water-holding, hyaluronic acid-powered serum hydrates away the fine lines and textural irregularities due to transepidermal water loss.

### Skin Conditions:

For all skin types experiencing dehydration.

### Benefits:

- Super infusion of water into the skin.
- Calms and reduce skin inflammation
- Penetrates easily with no residue
- Tones and clarifies the complexion

**Usage:** May be used once or twice daily to hydrate and soften the skin. Ideally used under moisturizers and/or sun protection products.

**Treatment Room:** n/a

### Featured Actives:

**Aloe Barbadensis Leaf Juice** - Known for its anti-inflammatory and antibiotic properties. Aloe Vera is made up of the most precious substances of our own skin, enzymes, vitamins, proteins, and minerals that support all our skins functions and activate the skin's self-healing qualities. Aloe Vera helps maintain the skins moisture balance and stimulates blood circulation. It has been used to calm and soothe burns and irritations, and it moisturizes.

**Hyaluronic Acid** - Occurs naturally in the dermis layer. Its water absorbing abilities help the epidermis achieve much needed suppleness and moisture. Known for its wonderful water binding ability, this acid holds water tightly, and when applied to the skin, forms a film similar to the way it holds water in the intercellular matrix of the dermal connective tissue. It's also a useful carrier for other active ingredients as well as extracts.

**Cucumber Fruit Extract** - An aromatic extract that adds an astringent and antibacterial action. It is moisture binding and moisture regulating, soothing, tightening, anti-itching, and anti-inflammatory as well as refreshing, softening and healing.
