

Respiratory Massage Oil

Respiratory Massage Oil contains cold pressed oils of almond, grapeseed, sunflower, natural vitamin E, and an exclusive blend of organic essential oils including eucalyptus, juniper, sandalwood, camphor, and Himalayan Cedarwood. Clears air passages and eases breathing.

Eucalyptus	Increased blood circulation, it was regarded as the general cure-all by the Aborigines
Juniper	Antiseptic, astringent, cleansing, and toning. It is believed to help fibroblast growth and good penetration capabilities.
Sandalwood	Astringent, anti-inflammatory, antibacterial tonic.
Camphor	Credited with anesthetic and antiseptic properties.
Himalayan Cedarwood	Astringent, antiseptic, great for stress-related disorders.

For an aromatherapy body massage that aids the breathing, apply a small quantity of Respiratory Massage Oil and proceed with the massage. May also be added directly to a warm bath or added to salt for a nice scrub.

For Professional Use Only.
