## Acne Cooling Modeling Mask

### Description

A deep cleansing, clarifying, and soothing anti-inflammatory treatment for acne and sensitive skin.

**Skin Type:** Acne/sensitive

### Benefits:

- Helps deep clean, clarify, and soothe acne-prone skin.

### Ingredients

Camphor, Sulfur, Kaolin, Calamine, Aloe Vera Extract, Lavender, Azulene Extract, Mint, Sodium Alginate, Rice Starch.

Aloe Vera Extract	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Azulene Extract	Has anti-inflammatory, calming, and soothing properties. Excellent for sensitive skin.
Calamine	Has mildly astringent and cooling qualities. Good for irritated skin.
Camphor	Has anesthetic, anti-inflammatory, antiseptic, astringent, cooling, and refreshing properties. Slightly stimulating to circulation.
Kaolin	China Clay - used in powders and masks. Has absorbent, abrasive, bulking, and opacifying properties. Has good coverage and absorbs both water and oil making it a good absorber for both oil and sweat secreted by the skin. Easily removed.
Lavender	Adds fragrance. Has antiallergenic, anti-inflammatory, antiseptic, antibacterial, antispasmodic, balancing, energizing, soothing, healing, tonic, and stimulating properties. Helps normalize skin and helps stimulate cellular growth and regeneration.
Mint	Has cooling, tonic, stimulating, antiseptic, and relaxing properties. Also adds fragrance.
Rice Starch	Finely pulverized grains of the rice plant. A demulcent and emollient, it forms a soothing protective film.
Sodium Alginate	Thickener, stabilizer, gelling agent. Protects with a moisture film.
Sulfur	Reduces activity of the oil glands. Dissolves dead skin cells on the skin's surface. Mildly antiseptic. Frequently found in acne products.

## Usage Instructions

Note: this product is packaged 2 different ways:

- ❑ Single use packet (1.7 oz.)
- ❑ 2.2 lb. package

1. Cleanse skin with appropriate cleanser for skin type. Rinse well with warm water.
2. Apply toner according to skin type.
3. Mix
  - ❑ Mix 5 scoops of Acne Cooling Modeling Mask (45 g or 1.6 oz.) with 3 scoops of warm water (54 ml or 3.6 Tbs.) to form a thick, creamy paste. (2.2 lb. size)
- OR**
  - ❑ Entire packet of Acne Cooling Modeling Mask powder with 60 ml (2 oz.) of warm water. (Single use packet)
4. Apply eye pads to eyes and cover the face with a gauze mask.
5. Spread Acne Cooling Mask mixture evenly over the gauze mask in a thick layer. Avoid contact with eyes, nostrils, lips, and hairline.
6. Leave on 15 to 20 minutes. Do not leave the mask on the face for more than 30 minutes.
7. After 15 to 20 minutes, remove mask. Mask will remove easily in one piece.
8. Use sponge to clean face with warm water to remove and mask residue.
9. Complete treatment by applying a toner and moisturizer according to skin type.
