## Lightening Modeling Mask

### Description

This Lightening Modeling Mask is highly concentrated, contains natural skin whitening ingredients that reduce inflammation and epidermal hyperpigmentation, and inhibits the process of melanin production.

**Skin Type:** Good for all skin types, especially hyperpigmented.

### Benefits:

- ❑ Contains natural skin whitening ingredients that help reduce inflammation and epidermal hyperpigmentation.
- ❑ Inhibits the process of melanin production.

### Ingredients

Mulberry Root Powder, Licorice, Kojic Acid, Ascorbic Acid, Scutellaria Root Powder, Sodium Alginate, Rice Starch

Ascorbic Acid	Vitamin C - A well known antioxidant that is popular in anti-aging products.
Kojic Acid	A skin-lightening agent. Although it is not as effective as licorice extract, it inhibits tyrosinase.
Licorice	Has a depigmenting effect. Inhibits melanin synthesis due to its ability to act as a tyrosinase inhibitor.
Mulberry Root Powder	Used for its skin lightening properties. Inhibits tyrosinase and oxidation activity.
Rice Starch	Finely pulverized grains of the rice plant. A demulcent and emollient, it forms a soothing protective film.
Scutellaria Root Powder (Skullcap)	Has astringent, anti-inflammatory, antimicrobial, and antioxidant properties. It is a skin whitening compound which has flavonoids molecules to stop tyrosinase production.
Sodium Alginate	Thickener, stabilizer, gelling agent. Protects with a moisture film.

**Usage Instructions:** Note: this product is packaged 2 different ways:

- ❑ Single use packet (1.76 oz.)
- ❑ 2.2 lb. package

1. Cleanse your client's skin with an appropriate cleanser for skin type. Rinse well with warm water.
2. Mix:
  - ❑ Mix 5 scoops of Lightening Modeling Mask (45 g or 1.6 oz.) with 3 scoops of warm water (54 ml or 3.6 Tbs.) to form a thick, creamy paste. (2.2 lb. size)

**OR**

  - ❑ Entire packet of Lightening Modeling Mask powder with 60 ml (2 oz.) of warm water. (Single use packet)
3. Apply eye pads to eyes and cover face with a gauze mask.
4. Spread Lightening Mask mixture evenly over the gauze in a thick layer. Avoid contact with eyes, nostrils, lips, and hairline. Leave on 15-20 minutes. Do not leave mask on face for more than 30 minutes.
5. After 15-20 minutes, remove the mask. Mask will remove easily in one piece.
6. Using an esthetic sponge, cleanse the face with warm water to remove mask residue.
7. Complete the treatment by applying toner and moisturizer according to your client's skin type.

**SKU #**

H31040 (2.2 lb.) - enough for approximately 18 treatments.

H31040SP (1.76 oz.)
