## 24 Karat Gold Rejuvenation Mask

### Description

An intense anti-wrinkle protector that has amazing skin-firming effects, the 24k Gold Mask nourishes the skin to help revive natural youthful vibrancy, visibly reduce the appearance of fine lines, combat free radicals, and enhance skin rejuvenation.

**Skin Type:** All skin types.

### Benefits:

- ❑ Nourishes the skin.
- ❑ Powerful anti-wrinkle elements firm, revitalize, and nourish the skin.
- ❑ Helps replenish elasticity and skin suppleness.

### Ingredients

Corn Starch, Kaolin, Sodium Alginate, Gold Powder, Hydrolyzed Collagen, Solum Diatomene, Ascorbic Acid, Glutathione, Tocopheryl.

Ascorbic Acid (Vitamin C)	A well known antioxidant that is popular in anti-aging products. Its synergistic effect with vitamin E is excellent. As vitamin E reacts with a free radical, it is damaged. Vitamin C repairs the free-radical damage in vitamin E allowing it to continue scavenging free radicals.
Corn Starch	Used as a thickener. Absorbs water and is soothing to the skin.
Glutathione	Peptide. Helps enhance skin metabolism and its use of oxygen. Helps protect fibroblasts from oxidation by free radicals.
Gold Powder	Has a good catalytic function and can effectively get rid of free radicals that cause aging in the human body
Hydrolyzed Collagen	Modified collagen. Has the ability to bind and retain many times its weight in water.
Kaolin	China Clay - used in powders and masks. Has absorbent, abrasive, bulking, and opacifying properties. Has good coverage and absorbs both water and oil making it a good absorber for both oil and sweat secreted by the skin. Easily removed.
Sodium Alginate	Thickener, stabilizer, gelling agent.
Solum Diatomene	Diatomaceous earth. A porous and relatively pure form of silica formed from fossil remains of diatoms (one-celled algae with shells). Used as a clarifying agent. Can absorb about 4 times its weight in water.

---

Tocopheryl (Vitamin E)	An important oil-soluble antioxidant and free-radical scavenger when applied topically. It is also has photoprotectant capabilities and helps protect the cellular membrane from free-radical damage. It also serves a preservative function due to its ability to protect against oxidation.
------------------------	---

### Usage Instructions

This product is packaged in 2 different ways:

- 2.2 lb. package
  - 2 oz. package
1. After cleansing your client's skin, mix:
    - 4 scoops (1 oz. which is equal to 2 TBS.) with 3 scoops of tepid water until it forms a paste. (2.2 lb. package)

**OR**

    - One-half of the 2 oz. packet of mask powder with 1.8 oz. (approximately 3 and ½ TBS.) of tepid water until it forms a paste. (2 oz. package)
  2. Apply the paste thickly onto the skin with a spatula.
  3. Leave the mask on for 15-20 minutes.
  4. Remove mask in pieces and rinse with warm water.
  5. Complete treatment by applying a toner and moisturizer according to your client's skin type.
