
Caviar Bio-Complex Mask

Description

The Caviar Bio-Complex Mask contains caviar extract (or roe extract), which is a good source of vitamins, nucleic acids, phospholipids, and proteins, all key elements to skin cell regeneration. It also provides a light moisture retaining film that protects the skin against external effects such as UV radiation, dehydration, and pollution. This protection fosters the reduction of superficial lines and wrinkles, improving the skin's appearance.

Skin Type: All skin types.

Benefits:

- ❑ Helps firm, hydrate, and transform the skin.
- ❑ Helps regenerate skin cells.
- ❑ Helps protect the skin against external effects such as UV radiation, dehydration, and pollution.
- ❑ Helps reduce the appearance of superficial lines and wrinkles.

Ingredients

Glucose, Algin, Trehalose, Caviar Extract, Sodium Alginate, Calcium Sulfate, Trimethylglycine, Hydrolyzed Marine Collagen, CI 16035, CI 42090, CI 77266.

Algin	Thickener, stabilizer. Obtained from brown seaweed.
Calcium Sulfate	Plaster of Paris. A fine white powder that is a firming ingredient.
Caviar Extract	Helps revitalize oily and mature skin that is dehydrated. Has a high mineral and vitamin content including vitamins A, B1, B2, B6, D, and E. It also contains a number of amino acids and unsaturated fatty acids.
CI 16035	Cosmetic colorant - red.
CI 42090	Cosmetic colorant - acid blue.
CI 77266	Cosmetic colorant - carbon black.
Glucose	Has moisture-binding properties. Helps soothe the skin.
Hydrolyzed Marine Collagen	Produced from fish scales/skin. Helps firm the skin, enhance elasticity, and reduce the signs of aging.
Sodium Alginate	Thickener, stabilizer, gelling agent.
Trehalose	A humectant and moisturizer. It helps bind water in the skin and increase the skin's moisture content. It is a naturally occurring plant sugar.
Trimethylglycine (Betaine)	Used as an emulsifier, detergent, foam booster, and thickener.

Usage Instructions

Note: This product is packaged in 2 different ways:

- ❑ Single use (1 oz.)
- ❑ 2.2 lb. package

1. After cleansing your client's skin, mix:

- ❑ 4 scoops (1 oz. which is equal to 2 TBS.) with 3 scoops of tepid water until it forms a gel-like paste.

OR

- ❑ 1 packet (1 oz.) of mask powder with 1.8 oz. (approximately 3 and ½ TBS.) of tepid water until it forms a gel-like paste.

2. Apply the paste onto the skin with a spatula.

3. Leave the mask on for 15-20 minutes.

4. Remove mask in one piece and rinse with warm water.

5. Complete treatment by applying a toner and moisturizer according to your client's skin type.
