
Bilberry Modeling Mask

Description

Perfect for delicate or sensitive skin, this mask increases circulation, rejuvenates sluggish skin, and helps protect against free-radical damage.

Skin Type: All skin types, especially sensitive skin.

Benefits:

- Helps increase circulation, rejuvenate sluggish skin, and protect against free-radical damage.

Ingredients

Solum Diatomeae, Alginate, Calcium Sulfate, Sodium Phosphate, Tetrasodium Pyrophosphate, Vaccinium Myrtillus, Vitamin C (1%), CI 12085, CI 77007, Parfum

Alginate	A thickener that is obtained from marine extracts.
Calcium Sulfate	Plaster of Paris. A fine white powder that is a firming ingredient.
CI 12085	Cosmetic colorant - D&C Red No. 36
CI 77007	Cosmetic colorant - Ultramarine or Pigment Blue 29
Parfum	Fragrance
Sodium Phosphate	Helps maintain the pH of a product.
Solum Diatomeae	Diatomaceous earth. A porous and relatively pure form of silica formed from fossil remains of diatoms (one-celled algae with shells). Used as a clarifying agent. Can absorb about 4 times its weight in water.
Tetrasodium Pyrophosphate	A buffering and chelating ingredient.
Vaccinium Myrtillus (Bilberry Extract)	Skin conditioner. Helps enhance the look, feel, and overall beauty of the skin. Contains the anti-aging agents resveratrol and quercetin. Has antioxidant properties that help protect the skin from free radical damage. Contains vitamins B, C, and E.
Vitamin C	A well known antioxidant that is popular in anti-aging products.

Usage Instructions

1. Using a rubber mixing bowl, mix 90 ml (3 oz.) of water at 68° Fahrenheit with 30 g (1 oz.) of powder.
2. Stir quickly for 1 minute to create a creamy paste.
3. Apply the paste immediately to the face avoiding the eyes.
4. Leave mask on for at least 15 minutes.
5. Remove the mask by peeling off in one piece.
