## Dead Sea Mask

### Description

A cooling, peel-away mask that removes impurities, heals blemishes, and brightens dull skin with the properties of Tea Tree and Lemon essential oils.

**Skin Type:** Dry skin.

### Benefits:

- ❑ Helps remove impurities, heal blemishes, and brighten dull skin.

### Ingredients

Solum Diatomeae, Alginate, Calcium Sulfate, Sodium Phosphate, Tetrasodium Pyrophosphate, Dead Sea Salts, Dead Sea Mud, Essential Oils of Tea tree and Lemon, Methylidiisopropyl Propionamide

Alginate	A thickener that is obtained from marine extracts.
Calcium Sulfate	Plaster of Paris. A fine white powder that is a firming ingredient.
Dead Sea Mud	Has a high concentration of salts and minerals. Helps improve circulation and the process of skin regeneration. Fine mud grains cleanse the skin and help remove impurities. Moisturizes and improves skin hydration. A gentle exfoliate, it removes old dead skin to reveal fresh new healthy skin.
Dead Sea Salts	Contains magnesium, potassium, calcium chloride, and bromides which are critical for skin metabolism. Magnesium fights stress and fluid retention, slowing skin aging and calming the nervous system. Calcium helps prevent retention of water and increase circulation. Potassium balances moisture in the skin.
Lemon Essential Oil	Considered to be a counterirritant, antiseptic, depurative, and lymphatic stimulant.
Methylidiisopropyl Propionamide	Fragrance ingredient.
Sodium Phosphate	Helps maintain the pH of a product.
Solum Diatomeae	Diatomaceous earth. A porous and relatively pure form of silica formed from fossil remains of diatoms (one-celled algae with shells). Used as a clarifying agent. Can absorb about 4 times its weight in water.
Tea Tree Essential Oil	A natural preservative with antiseptic, antimicrobial, germicidal, and expectorant properties.
Tetrasodium Pyrophosphate	A buffering and chelating ingredient.
