
Charcoal Collagen Mask

Description

Bamboo charcoal is a natural element that has deep cleansing properties. It absorbs impurities and excess oil, balancing the skin's pH and minimizing pores. This mask also contains marine collagen, which increases hydration and preserves healthy skin. The result is revitalized, youthful skin.

Skin Type: Suitable for all skin types, especially oily and acne-prone skin.

Benefits:

- ❑ Absorbs impurities and excess oil
- ❑ Balances the skin's pH
- ❑ Minimizing pores
- ❑ Increases hydration and preserves healthy skin

Ingredients

Purified water, Algin, Bamboo Charcoal, Marine Collagen, Vegetable Glycerin, Allantoin, Butylene Glycol, Witch Hazel Extract, Sodium γ -Polyglutamate-PGA, Ascorbyl Glucoside Vc, Aloe Barbadensis Gel, Sodium Hyaluronate, Biosaccharide Gum-1, Fragrance, Disodium EDTA, Phenoxyethanol, Methylparaben.

Algin	Thickener, stabilizer. Obtained from brown seaweed.
Allantoin	A botanical extract that is healing and soothing. An excellent anti-irritant (temporary) that helps heal damaged skin by stimulating new tissue growth.
Aloe Barbadensis Gel	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Ascorbyl Glucoside Vc	Once it permeates through the skin, ascorbyl glucoside is broken down into L-ascorbic acid and glucose. It provides the benefits of vitamin C to the skin in a more stable and longer-lasting formulation. It exhibits high antioxidant activity and acts as a coenzyme for enzymes involved in collagen synthesis and inhibits the synthesis of melanin.
Bamboo Charcoal	Has good cleansing and exfoliation properties. Helps whiten skin, absorb oil, and get rid of dirt deep in the skin's pores. Contains many minerals that are good for the skin and hair.
Biosaccharide Gum-1	A derivative of sorbitol. It is a skin conditioner and humectant.

Butylene Glycol	A solvent with good antimicrobial properties. It enhances the preservation activity of parabens.
Disodium EDTA	Preservative.
Fragrance	Provides an aroma to the product.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
Methylparaben	Preservative used to combat bacteria and molds.
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Purified water	Water that is mechanically filtered or processed so that it is clean and free of any contaminants.
Sodium Hyaluronate	Used as a moisturizing agent, viscosifier, and emulsifier. Capable of binding 1,800 its own weight in water.
Sodium y PGA	Antioxidant and humectant.
Vegetable Glycerin	A solvent, humectant, and emollient. It absorbs moisture from the air.
Witch Hazel Extract	Has anti-inflammatory and wound healing properties. Often used for its anti-itching, softening, and emollient properties.

Usage Instructions

1. Open foil pack, remove the two sections of the crystal face mask, unfold and place on face.
2. Remove after 10 to 20 minutes.
3. Do not rinse or wash the face after use. Allow the remaining ingredients to absorb.
