## Vitamin C Collagen Mask

### Description

Helps reduce hyperpigmentation. The high concentration of antioxidants, plant extracts, and marine collagen helps increase hydration, reverse sun damage, visibly improve skin discoloration and the appearance of wrinkles, reduce roughness, and it helps increase skin firmness and resiliency. Helps protect against free-radical damage. Each application helps deliver a vibrant, younger, and healthier complexion.

**Skin Type:** For all skin types.

### Benefits:

- ❑ Contains a high concentration of antioxidants and plant extracts.
- ❑ Contains marine collagen which increases hydration, helps reverse sun damage, and visibly improves skin discoloration and the appearance of wrinkles.
- ❑ Helps reduce hyperpigmentation.

### Ingredients

Purified Water, Algin, Marine Collagen, Ascorbyl Glucoside Vc, Vegetable Glycerin, Allantoin, Butylene Glycol, Arbutin, Sodium  $\gamma$ - Polyglutamate - PGA, Lemon Extract, Aloe Barbardensis Gel, Sodium Hyaluronate, Biosaccharide gum-1, Disodium EDTA, Phenoxyethanol, Methylparaben.

Algin	Thickener, stabilizer. Obtained from brown seaweed.
Allantoin	A botanical extract that is healing and soothing. An excellent anti-irritant (temporary) that helps heal damaged skin by stimulating new tissue growth.
Aloe Barbardensis Gel	An emollient with hydrating, softening, healing, antimicrobial, and anti-inflammatory properties.
Arbutin	Extracted from the bearberry plant, it is a skin lightening agent that inhibits tyrosinase and prevents the formation of melanin.
Ascorbyl Glucoside Vc	Once it permeates through the skin, ascorbyl glucoside is broken down into L-ascorbic acid and glucose. It provides the benefits of vitamin C to the skin in a more stable and longer-lasting formulation. It exhibits high antioxidant activity and acts as a coenzyme for enzymes involved in collagen synthesis and inhibits the synthesis of melanin.
Biosaccharide Gum-1	A derivative of sorbitol. It is a skin conditioner and humectant.
Butylene Glycol	A solvent with good antimicrobial properties. It enhances the preservation activity of parabens.

---

Disodium EDTA	Preservative.
Lemon Extract	Has the following properties: antibactericidal, antiseptic, astringent, and toning.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
Methylparaben	Preservative used to combat bacteria and molds.
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Purified Water	Water that is mechanically filtered or processed so that it is clean and free of any contaminants.
Sodium Hyaluronate	Used as a moisturizing agent, viscosifier, and emulsifier. Capable of binding 1,800 times its own weight in water.
Sodium y-Polyglutamate-PGA	Antioxidant and humectant.
Vegetable Glycerin	A solvent, humectant, and emollient. It absorbs moisture from the air.

**Usage Instructions**

1. Open foil pack, remove the two sections of the transparent crystal face mask.
2. Unfold and place on face.
3. Remove after 10–20 minutes.
4. Do not rinse or wash the face after use. Allow the remaining ingredients to absorb.
