
Fresh Lime Mask

Description

Lime essence, vitamin C, grape fruit extract, and arbutin suppress dermal melanocytes, lighten hyperpigmentation and allow skin to be translucent. Fruit acids gently exfoliate dead skin cells and stimulate renewal process, giving the face a fresh, bright, and radiant appearance.

Skin Type: Suitable for all skin types.

Benefits:

- ❑ Helps improve blood circulation.
- ❑ Suppresses dermal melanocytes
- ❑ Lightens hyperpigmentation.
- ❑ Helps brighten the complexion.
- ❑ Gently exfoliates dead skin cells and stimulates renewal process.

Ingredients

Aqua, Glycerin, Marine Collagen, Butylene Glycol, Citrus Aurantifolia (Lime) Fruit Extract, Sodium Lactate, Betaine, Citrus Paradisi (Grapefruit) Fruit Extract, Arbutin, Hamamelis Virginiana (Witch Hazel) Extract, Trehalose, Ascorbic Acid, Citrus Aurantifolia (Lime) Oil, Hyaluronic Acid, Phenoxyethanol, Carbomer, Triethanolamine, PEG-40 Hydrogenated Castor Oil, Bisabolol, Fragrance

Aqua	Water
Arbutin	Extracted from the bearberry plant, it is a skin lightening agent that inhibits tyrosinase and prevents the formation of melanin.
Ascorbic Acid	Vitamin C. A well known antioxidant that is popular in anti-aging products.
Betaine	A surfactant and excellent conditioner, viscosity builder, and foam booster.
Bisabolol	A botanical that has anti-inflammatory and soothing properties.
Butylene Glycol	A solvent with good antimicrobial properties.
Carbomer	Thickening and suspending agent; emulsion stabilizer.
Fragrance	Provides an aroma to the product.
Glycerin	A solvent, humectant, and emollient. It absorbs moisture from the air.
Grapefruit Extract	Has antiseptic properties. Beneficial for oily skin. Contains Vitamin C.

Hyaluronic Acid	A substance that occurs naturally in the dermis. It is a natural moisturizer with excellent water-binding capabilities. When applied to the skin, it forms a film similar to the way it holds water in the intracellular matrix. The ability to hold water provides smoothness, improving the skin's appearance.
Lime Extract	Provides fragrance. Also an emollient with soothing and antiseptic properties.
Lime Oil	Considered a counterirritant, antiseptic, and lymphatic stimulant.
Marine Collagen	Derived from the substance found on fish scales. Helps diminish the signs of aging and decrease the negative effects of toxins.
PEG-40 Hydrogenated Castor Oil	A hydrophilic emulsifier, stabilizer, antigellant, and lubricant.
Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Sodium Lactate	Keeps a product's pH from becoming too acidic. Found naturally in the skin - moisturizing and moisture-binding.
Trehalose	A humectant and moisturizer. It helps bind water in the skin and increase the skin's moisture content. It is a naturally occurring plant sugar.
Triethanolamine (TEA)	An emulsifier and pH adjuster.
Witch Hazel Extract	Has anti-inflammatory and wound healing properties. Often used for its anti-itching, softening, and emollient properties.

Usage Instructions

1. Open packet, unfold mask, and place on cleansed face.
2. Leave on for 15 to 20 minutes.
3. Remove mask and discard.
4. Finish with toner and moisturizer suitable for your client's skin type.
