

## Cuti-Clean® Cuticle and Stain Remover

---

**Cuti-Clean Cuticle and Stain Remover gently softens cuticles while removing stains and dead tissue. Also great for pedicures and acrylics. Cuti-Clean does not harm acrylics because it does not contain acetone.**

### **Essential Oil Benefits:**

- ❖ Eliminates stains and dead tissue to promote healthy nail growth and well-groomed nails

### **Professional Care:**

- ❖ Apply to cuticle and gently push back with an orangewood stick. To remove stains, saturate a cotton ball and dab area until stain disappears. Do not leave on nails for more than 5 minutes. Wash off with warm water. Do not use on sensitive skin.

### **At-Home Care:**

- ❖ Apply to cuticle and gently push back with an orangewood stick. To remove stains, saturate a cotton ball and dab area until stain disappears. Do not leave on nails for more than 5 minutes. Wash off with warm water. Do not use on sensitive skin. (Harmful if taken internally. Do not apply near eyes, mouth, or body orifices.)
- ❖ If irritation occurs, discontinue use and rinse well with water. (Contains alkali)

### **Key Ingredients:**

- ❖ Sesame seed oil, potassium hydroxide

### **Eco-Conscious Aspects:**

- ❖ Formaldehyde, toluene, and DBP free
