

SANITATION STATIONS GUIDE

Help prevent the spread of germs in your spa by making sanitation stations stocked with PPE and disinfectant products accessible.

Prevent the Spread of Germs

Practice Hand Hygiene

Clean Common Areas

Use a Tissue to Cover Your Cough or Sneeze

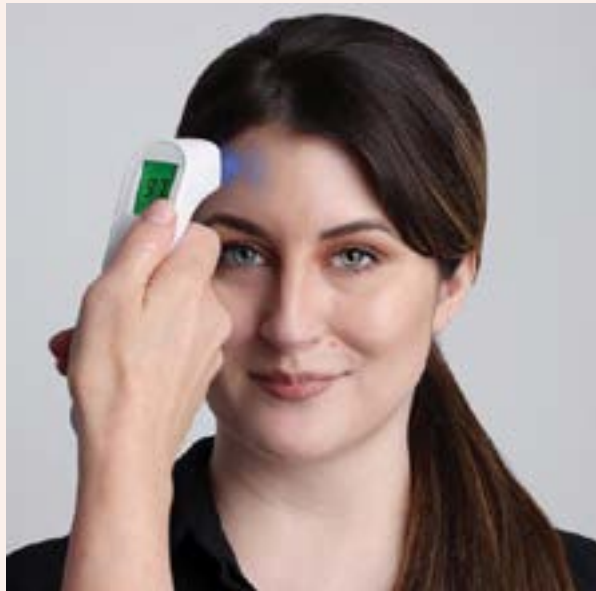

Keep PPE Organized & Available to Clients and Staff!

Ideal places to keep sanitizer and PPE within reach include: lobby, retail area, break room, locker rooms, and relaxation areas.

Inform Your Clients

Helpful signage such as markers for check-in processes or hand sanitizer stations can be impactful. They clearly communicate expectations and new sanitation measures to employees and guests.
