
Cranberry-Yuzu Sugar Scrub

Tired of those messy mixes of oils and irritating salts? Take heart - Bella Luccé's innovative formula exfoliates dead skin cells before emulsifying itself into a lotion, allowing the scrub to rinse cleanly and moisturize the skin without any greasy residue. This luxurious blend combines pure cane sugar, cranberry seeds, and sunflower and coconut oils with an intoxicating citrus fragrance that leaves oily scrubs and their hard-to-open jars in the dust.

Ingredients

Organic Cane Sugar (Sucrose), Certified Organic Helianthus Annuus (Sunflower) Seed Oil, Certified Organic Glycine Soja (Soybean) Oil, Cocos Nucifera (Coconut) Oil, Stearic Acid (Vegetable-Derived), Polysorbate 20, Certified Organic Butyrospermum Parkii (Shea) Butter, Perfume (Fragrance), Simmondsia Chinensis (Jojoba) Seed Oil, Vaccinium Macrocarpon (Cranberry) Seeds, Tocopheryl Acetate (Vitamin E).

Key Ingredients

- Coconut Oil: Effective skin moisturizer. Skin softener.
- Cranberry Seeds: Gentle exfoliant.
- Jojoba Seed Oil: Closely resembles the skin's own natural oils. Helps stretch marks, inflamed skin, psoriasis, eczema, or any sort of dermatitis. Can help control acne and oily skin. An anti-oxidant, it may help extend the life of other oils. Good for use with guests who have nut allergies.
- Organic Shea Butter: Revered for centuries by the women of Africa, shea butter is a renowned skin soother. Obtained from the karate nuts of a tree native to the West African tropics, the supple butters high concentration of fatty acids gives it the ability to deeply moisturize and retain the elasticity of the skin, while also protecting against the damaging effects of the sun.
- Organic Soybean Oil: Helps stimulate the production of collagen, elastin, proteoglycans, and structural glycoproteins.
- Organic Sugar: Pure organic sugar crystals gently polish skin by mechanically removing the web of dead cells which routinely cling to the skin and dull the complexion.
- Organic Sunflower Oil: The seeds of that brilliantly colored yellow flower yield this versatile oil. Rich in essential fatty acids, sunflower oil conditions and regenerates the skin with generous doses of vitamins A and E.
- Vitamin E: A well known and trusted partner in skin care, vitamin E is an effective antioxidant. In addition, it is readily absorbed into your skin and creates a shield that protects against ultraviolet light skin damage, the leading cause of visible skin aging.

Benefits

- A double exfoliation system, created with pure cane sugar and real cranberry seeds, gently and effectively sloughs dead skin to encourage cell renewal and reveal a more radiant complexion.
 - Leaves skin moisturized without any greasy residue.
 - This innovative creamy-style scrub ensures less product loss and easier handling by spa technicians. Product will not run through your fingers and does not leave an oily mess in its wake.
 - Emulsifies itself into a lotion, allowing easy removal.
 - Phthalate free.
 - Vegan.
-

Usage

Massage scrub onto your guest's entire body. Use gentle circular motions and focus on rough patches. Assist your guest to the shower or remove any residue with warm, moist towels.
