
Tropical Hawaiian Fruit Peel

Escape to the islands as you saturate the skin with natural vitamins and enzymes harvested from tropical coconuts, mangoes, papayas and pineapples. Purifying clays gently draw toxins from deep within the tissue while luscious fruit enzymes chemically dissolve the web of expired cells that cling to the surface of the skin- revealing a healthy, radiant complexion. Delightfully fresh and deliciously natural, this treatment is a one-way ticket to youthful looking skin.

Ingredients

Cocos Nucifera (Coconut) Fruit Juice Powder, Carica (Papaya) Fruit, Kaolin Clay, Ananus Communis (Pineapple) Fruit, Mangifera Indica (Mango) Fruit, Honey Powder.

Key Ingredients

- Coconut Powder: Effective skin moisturizer. Skin softener.
- Honey Powder: Natural humectant with softening properties.
- Kaolin Clay: Originally harvested from the Kaoling Hill in the Kiangsi Providence of China, this white clay is surprisingly absorbent. It draws out impurities and toxins and is rich in minerals, including: silica, iron, magnesium, calcium, sodium and zinc.
- Mango Pulp: Rich in vitamins A, C and E, mangoes are a true treat for the skin. The smooth skin and juicy pulp are abundant in antioxidants, including numerous polyphenols and carotenoids.
- Papaya: Gentle exfoliant. Dissolves keratin.
- Pineapple Pulp: The prickly rind of these mysterious fruits hold a secret: pineapples are rich in bromelain, a potent enzyme with strong anti-inflammatory properties. In addition, the natural AHA's present in pineapple pulp and juice work to improve skin elasticity and flexibility regardless of the degree of skin hydration.

Benefits

- Clay draws impurities and toxins from the body.
