

**Gehwol® Med Nail Softener**

Gehwol Med Nail Softener helps prevent ingrown toenails, removing the painful pressure on the nail and helping to relieve discomfort. It also helps soften calluses and makes the cuticles elastic.

**Benefits**

- ◆ Helps prevent ingrown nails.
- ◆ Helps prevent calluses.
- ◆ Helps smooth the cuticles.

**Ingredients**

Aqua (Water), Isopropyl Alcohol, Potassium Castorate, Glycerin, Ethanolamine, Bisabolol

**Active Ingredients**

Alcohol	Antibacterial.
Bisabolol	Anti-inflammatory and smoothing.
Glycerin	Humectant – can draw and absorb water from the air. Helps the skin retain moisture.

**Procedure**

1. Using the pipette dropper, apply the **Med Softener** once or twice daily on pressure points and nail edges until the pressure subsides.
