
Sinus Help Inhalation Beads

Perfect aromatherapy aid when nature catches up with you. Clear stuffiness and congestion with powerful aromas of eucalyptus, peppermint, and lemongrass. Discreet and convenient, it is the ultimate portable remedy for the office, during your commute or when traveling.

Ingredients

Polyolefin, Eucalyptus (*Eucalyptus globulus*), Peppermint (*Mentha piperita*), Lemongrass (*Cymbopogon citratus*), Natural Essential Oil Blend

How to Use:

1. Fill the enclosed pouch or place in a favorite container. Let your senses inhale nature's own remedies for body, mind and spirit.
