

## Classic Waters™ - ~Grapefruit Water & Glycerin~

2 oz. cobalt blue  
apothecary bottle  
with fine mist sprayer

**Fragrant herb, fruit, and flower water to perfect any complexion .... Pampering with a Purpose!**

*Pink Grapefruit* brightens the complexion and uplifts spirits. Use as a finishing mist to bring vibrancy to exposed skin, or simply to impart the pure, simple scent of ripe citrus. Our Grapefruit Classic Waters is a favorite, as it brightens any complexion, restores diminished spirits & freshens the skin as well as the attitude! Truly delicious...

**INGREDIENTS:** witch hazel, grapefruit essential oil\* & vegetable glycerin (*certified organic ingredients*\*)

Witch Hazel	As a skin tonic, Witch Hazel tightens loose tissue and is an effective astringent and toning agent, especially for skin that is beginning to slack. An excellent cleansing agent for hands, face, and feet. Overall, Farmaesthetics thinks witch hazel is one of nature's most useful herbs, and it is the perfect base for many of its skincare preparations.
Grapefruit Essential Oil	Grapefruit oil is used to treat acneic conditions, congested or oily skin, and cellulitis. Citrus is known for its uplifting scent and can be used as an aid to nervous exhaustion and stress.
Glycerin	A sweet syrupy substance naturally derived from vegetable oils. Used as a humectant, it actually attracts moisture from the air and binds it to the skin's surface. It also provides a protective barrier on the skin so as to retain its moisture. When applied as a finishing spray to face and body it leaves a dewy, "glistening" appearance to the skin.

### APPLICATIONS AND BENEFITS:

- **Purifying Protective Barrier:** glycerin is a humectant, meaning it actually "grabs" moisture from the air & binds it to the skin, providing re-hydration of tissue on a deeper level. In addition, witch hazel softens and purifies the complexion, making the perfect combination to prevent moisture loss.
- **Spritz** all over the body for a "dewy", youthful finish to the skin
- **Use as natural fragrance** or as a freshener to lightly scent the skin or rehydrate during travel or throughout the day
- **Antiseptic:** Witch hazel serves to clean & purify the skin. It is also soothing to skin that is inflamed or irritated from heat or overly dry climate conditions
- **Moisturizing Cosmetic Finish:** as the fine mist settles on the face & body, it leaves the skin looking young & dewy, providing a pretty, soft finish & at the same time actually doing something!
