

Sweet Soy and Pink Grapefruit Oil

4 oz. frosted glass bottle

INSPIRATION: It is widely accepted that adding soy to your diet can help prevent osteoporosis and even protect against cancer. But now soy is being recognized for its ability to even skin tone when applied externally ... and some say soy can even correct pigmentation in the skin brought about by hormonal changes. The moisturizing properties are undeniable, making it a key ingredient in anti-aging and anti wrinkle skincare products. Farmaesthetics uses Soy in its Sweet Soy Oils for its ability to make skin supple, smooth, and its healthy best at all ages and stages of life.

INGREDIENTS: sweet soy oil*, pink grapefruit essential oil* & natural vitamin e (*certified organic ingredient**)

Sweet Soy Oil	One of the high-grade, cosmetic grade carrier oils. Especially chosen for its softening, uncomplicated chemistry ... light enough for massage, yet safe for those with nut allergies. Very emollient and soothing to the skin.
Vitamin E	Used to stabilize all of Farmaesthetics natural non-aqueous formulations. Benefits in restoring skin's elasticity. Assists in healing scars and preventing stretch marks in skin that is being stretched from pregnancy or weight gain.
Pink Grapefruit Essential Oil	Known for offering valuable protection against infectious bacteria, grapefruit is used to treat acneic conditions, congested or oily skin, and cellulitis. Citrus is known for its uplifting scent and can be used as an aid to nervous exhaustion and stress.
