

## Midnight Honey Bath and Beauty Oil

**INSPIRATION:** *Nature's most mysterious elixir ...* honey is unlike any other ingredient in nature and has yet to be synthesized in a chemistry lab! Farmaesthetics' richly round, darkly-scented Midnight Honey Bath and Beauty Oil, is an inspired preparation – true, elegant, and complex in its ability to deeply condition the skin, while restoring suppleness and unleashing the senses. Use in massage, bath, shower, or as a beauty oil for spot treating dry or patchy areas of skin. Apply after bathing when body is still damp, to wrap the skin in rich, warm moisture. (For external use only even though it smells good enough to eat!)

**INGREDIENTS:** sweet soy oil\*, honey absolute and vitamin e (*certified organic ingredients\**)

Sweet Soy Oil	One of the high-grade, cosmetic grade carrier oils. Especially chosen for its softening, uncomplicated chemistry ... light enough for massage, yet safe for those with nut allergies. Very emollient and soothing to the skin.
Honey Absolute	Whether in absolute form, used for its rich round scent to “perfume” preparations, or used in its whole form to soften and soothe the skin, honey is nature’s most mysterious ingredient. It holds constituents that help heal the skin, protect against infection, and soften and even the complexion to achieve a healthy “glow.”
Vitamin E	Used to stabilize all of Farmaesthetics natural non-aqueous formulations. Benefits in restoring skin’s elasticity. Assists in healing scars and preventing stretch marks in skin that is being stretched from pregnancy or weight gain.

### APPLICATIONS and BENEFITS:

- Luscious, herbal massage oil for moisturizing and conditioning the whole body complexion.
- Luxurious and emollient when used in the bath or applied after shower as body oil.
- Great for use in full body massage, having lots of “slip” for easy application and a heady honey scent that releases with friction of massage.
- Best applied on damp, warm skin.
- Soy has the added benefits of phytoestrogens, said to have balancing effects on irregular hormonal activities.

### AS USED IN PROFESSIONAL TREATMENTS:

- Use as a deep conditioning massage oil for body.
- Use in Farmaesthetics Cornmeal Scrub treatments.
- Use in bath to release emollient benefits of soy oil and honey absolute.
