Body Lush Hydrating Wrap

Body Lush is the perfect solution for clients in need of deep and lasting moisture. This ultra hydrating wrap can be used in place of a body mud in any spa treatment. The rich, soft, warming balm uniquely melts on contact, leaving the skin so perfectly hydrated that it eliminates the need for an additional finishing product, thereby saving spas both time and money.

FEATURES		BENEFITS
Wheat Germ		Highly moisturizing, nourishing and soothing
Shea Butter		Offers deep hydration and provides healing benefits to the skin. Naturally rich in vitamins A, E & F, which are essential vitamins needed for good skin balance. Increases hydration and protection of superficial layers of epidermis. Excellent for soothing irritated skin and healing chapped skin.
Soy & Avocado Oil		Hydrates, Soothes and softens skin
Burdock		Helps improve skin health Used both internally and externally for eczema and psoriasis as well as to treat painful joints and as a diuretic. Well known for its blood cleansing properties.
Echinacea		Aids in skin regeneration. Used to support the immune system. May help increase the production and activity of white blood cells, lymphocytes, and macrophages. Can assist in the body's response to viral infections such as cold and flu.
Fig Wort		Promotes Detoxification Useful in the treatment of skin problems. Helps the body function well, bringing about a state of inner cleanliness. May be helpful for eczema, psoriasis and any skin condition where there is itching and irritation. Part of the cleansing occurs due to the purgative and diuretic actions
Watercress		Clears and improves skin Rich in iron and other valuable mineral elements to provide blood purifying and system cleansing properties.
Rich, salve-like texture		Leaves skin so hydrated- no need for any additional finishing product Saves spas time and money

Selling Tips:
- Has an appealing fig and vanilla scent
- Slight warming effect on the skin
- Eco-friendly easy to use
- Leave on or towel off- no need to rinse and can be used in wet or dry room
