

Twist Strip Toe Separators

Twist Strips are:

- ❑ 2" wide x 25" long
- ❑ Lint-free
- ❑ Sanitary
- ❑ Disposable
- ❑ Strong, yet soft and pliable
- ❑ Comfortable for clients

1. Twist one strip, then pull until it is completely taut.
2. Weave Twist Strip through toes, starting with the small toe, and back around ending with the small toe.
3. Tie a knot at the small toe. You are now ready to begin procedure.
4. Dispose Twist Strip after each use.
