
Conditioner

Description

This Hair Conditioner contains natural herbal extracts and detanglers to strengthen and soften hair while adding fullness and body. Lightly scented with a fresh, clean green tea and lemongrass fragrance.

Benefits:

- ❑ Contains natural herbal extracts and detanglers.
- ❑ Strengthens and softens hair.
- ❑ Adds fullness and body.
- ❑ Lightly scented

Ingredients

Purified Water, Guar Hydroxypropyltrimonium Chloride, Cetearyl Alcohol, Lauryldimonium Hydroxypropyl Hydrolyzed Soy Protein, PEG-75 Glyceryl Cocoate, Polyquaternium-7, Phenoxyethanol (and) Ethylhexylglycerin, Keratin Amino Acids, Cupuacu Extract, Acai Extract, Green Tea and Lemongrass Fragrances.

Acai Extract	Has powerful antioxidant properties and the ability to help promote the repair of damaged skin.
Cetearyl Alcohol	An emollient, emulsifier, and thickener.
Cupuacu Extract	Cupuacu extract is an emollient that gives a soothing and delightful touch to the skin/hair, providing natural humidity and strength. Effective for dry and very skin/hair.
Ethylhexylglycerin	A skin conditioner and preservative derived from glycerin.
Green Tea and Lemongrass Fragrances	Provides an aroma to the product.
Guar Hydroxypropyltrimonium Chloride	A thickening, conditioning, and antistatic agent. Helps maintain a product's smoothing action. Has skin conditioning capabilities.
Keratin Amino Acids	A mixture of amino acids obtained from the complete hydrolysis of keratin.
Lauryldimonium Hydroxypropyl Hydrolyzed Soy Protein	A wide variety of preservatives, surfactants, germicides, sanitizers, antiseptics, and deodorants used in cosmetics. Soy amino acids come from soy beans and are thought to have anticancer, antipigmentary, and antioxidant properties. They are used in skin and hair conditioners.
PEG-75 Glyceryl Cocoate	A polyethylene glycol ether of glyceryl cocoate. Blended into formulations to obtain the desired humectancy, viscosity, or melting point.

Phenoxyethanol	Broad range preservative with fungicidal, bactericidal, insecticidal, and germicidal properties.
Polyquaternium-7	Antistatic ingredient and film former.
Purified Water	Water that is mechanically filtered or processed so that it is clean and free of any contaminants.

Usage Instructions

1. Use after shampooing to condition and strengthen the hair.
